NEW YORK (WNS) — Torah Umesorah, the national society for Hebrew day schools, reported that its six-year-old teacher training program to develop instructors for day schools in small communities has achieved a high rate of success, said that 98 percent of the teacher trainees has either accepted positions or planned to do so when the next school year starts in September.

NEW YORK (WNS) — A new student organization, the Youth Committee for Peace and Democracy in the Middle East, has called for peace in the area based on justice and democracy for Jews and Arabs. The group said all states in the area, including Israel has the right to exist and it supported Israel and such Arab democracies as Lebanon while repudiating the "anti-democratic authoritarian nature" of other Arab states. It opposed attempts to impose a peace in the area by either the United States or Russia. The organization has held teach-ins at a number of colleges and plans to continue such activities.

WASHINGTON (WNS) — Former Vice President Hubert Humphrey has made public a policy declaration of the Democratic Policy Council, calling for direct talks between Israel and the Arab states. The group called for restoration of the cease fire between the two sides and urged a limit on the flow of arms to the area. But it said that the United States should take action to aid Israel's military might pending arms limitations.

NEW YORK — 16 Folk Dance groups will participate in the 19th Annual Israel Dance Festival which will take place on Sunday, March 15, 1970 at Madison Square Garden's Felt Forum in New York. This was announced here by William Levine, Executive Director of the American Zionist Youth Foundation which is sponsoring the Festival.

SO. NEV. HIST. SOC.

Noted Nevada historian and author Stanley W. Paher will speak to the Southern Nevada Historical Society at its February meeting. Mr. Paher's subject will be "Where Can Nevada History Be Found?" This is one of the peculiarities of Nevada history that most of the records and documents are located out of the state. Although there is a state sponsored library in Carson City and the State Historical Society in Reno, the bulk of all Nevada historical materials are spread out through libraries and repositories in all parts of the nation. Mr. Paher has just spent several weeks at the Bancroft Library in San Francisco, where the largest collection of Nevada materials is located. He will emphasize some of the problems of researching subjects in Nevada history due to the wide distribution of materials. The February meeting will be held in Judge Sargeant's courtroom in the Clark County Courthouse at 7:30 PM, February 20, 1970. The public is invited and will be glad to attend.
