

Jews Are The Chosen People Of The Lord

WRITTEN ESPECIALLY FOR L.V. ISRAELITE
By Theron Schoenfeld
(CONTINUED FROM LAST WEEK)

Suely there are others besides the Jews, who have rejected Jesus. How vast is the number of Gentiles who have rejected Jesus, who have not accepted Him and His teachings, who also have rejected the teachings of the prophets.

There are whole nations rejecting Jesus, and His teachings, to such an extent that they refuse to give His missionaries ... permission to come into their country - and go among the people spreading the word of God. These nations are following Satan, spreading hate, discord, distrust, confusion, suspicion, discussing wars, and the destruction of Jewish and Gentile nations.

These nations may have their day now, but the final outcome of their wickedness and ungodly actions will see the day in the very near future - when the Lord of this earth, will pour down His wrath and judgements... wherein these wicked nations will be thrown down and destroyed, because of their wickedness and abominable and ungodly actions. The prophets of God have written repeatedly concerning the wickedness of the people here on earth who do not fear God, nor do they respect His divine and spiritual teachings of love, pure conduct and moral ideals of his highest spiritual aspirations of the human race.

If one searches diligently, he may come upon seeming-

ly endless testimonies of Jewish Rabbi's, professors of universities, great Americans, French, English, German and Greek philosophers, all of whom extend their views and acknowledge the fact, that Jesus was a Jew, that they have the highest respect for Jesus, and they say he sprang from the lions of a Jew, or of the race of Judah.

This, the author says, "That a great multitude of the people throughout the world, acknowledge the fact that Jesus was a Jew, and they are convinced that Jesus was a reality, a man possessing a body and passions, who came to earth to save mankind."

The prophets of old have prophecied that the Jews, in the last days, shall be gathered and migrate back to their promised land which promise was made by their fathers, that in the area of old Jerusalem, Palestine, Nazareth, and other important places . . . wherein they are inspired to rebuild on the land of their inheritance, beautiful cities and temples where they can live and enjoy life and worship their religion according to their way of life here on earth, as nearly as it was before they became scattered to the four quarters of the earth.

Now the question has been asked many times, whether or not God is moving behind these historic events. The author firmly believes

After the author retired from business he traveled a great deal and later, chose writing as his hobby. He is a member of The Church of Jesus Christ of Latter Day Saints (Mormon). He is a gifted man of many talents and with exceptional understanding of the scriptures. He is a God fearing man and his love and respect for the Jew as a people is outstanding. He is a friend of all mankind.

"that God is truly playing His part in inspiring the Jews, and moving behind them of these events of reconstructing and re-establish the beautiful city of Jerusalem, during these the latter-days. "For as many who shall believe in Jesus, shall be saved, and they shall become a righteous and delightful people."

The so called Israelites... the Jews, have been oushed around from place to place throughout the world - they have been condemned, chastized, percolated through or strained through a filter, the down-troden Jews have been harassed, hissed at, spin upon, and chastized, killed, and hundreds of thousands of good Jewish people have been placed in Hitler's degraded in human blocks or concentration compounds or wicked camps and in due time the Hitler ungodly atheistic wicked regime of Germany, took it upon themselves to slaughter and bulldoze large pits out of the earth... then kill and dump thousands of Jews into an un-marked grave. For what purpose? Because, they were marked and identified as God fearing Jews.
