plained "you should be thankful you're not one of your creditors."

Red Buttons at the Landmark is a rib tickling sensation. He is twenty times better since the time we used to catch his act at the various functions in the garment district in New York when he used to Yok it up and hold one hand up to his ear. Since those times he has become what he is today 'a Star'. Gotta thank Jimmy (the Greek) Snyder for touting us to catch the sensational singing of Dick Jensen. Don't miss this pair of great entertainers at the Landmark. We enjoyed it so will you.

find a way to celebrate the liberation of the Jews from heartburn caused by the delectable dishes prepared by our respective spouses during this wonderful holiday. Adair Axler, my favorite E.S.P. girl can't understand why they don't have a Pochdika (Passover) substitute for Bromo Seltzer.

A trip to the Sahara Hotel to see a show is a real Machaya (pleasure). Joe Marks, my favorite captain, always has a smile as does Harry at the door. Marks looks younger now than when we used to see him in the 500 club at Atlantic City. It must be his Mickey's fault. We call it good living, or is it good loving? Joe tells me the time when his friend told him he had nothing to be thankful for since he couldn't pay his bills, Joe ex-

When Sid Hudson (The Famous Somerset Cleaner) complained to the waitress "Where's my turtle soup, I ordered it an hour ago?" the clever waitress said "Mr. Hudson, you know turtles are a little slow."

Many of you don't realize that there is a congressman in Chicago whose name is Mikva. In Yiddish this means ceremonial bath. This is from the Congressional Record dated March 10th. There is more humor

TALENTED JEAN COSTA IS ONE OF THE FEATURED SINGERS IN THE DESERT INN'S MILLION DOLLAR PRODUCTION OF "PZAZZ '70". THE COLORFUL PRESENTATION IS NOW IN ITS NINTH RECORD-SHASTING MONTH IN THE HOTEL'S CRYSTAL ROOM. SHOW-TIMES ARE 8 P.M. AND MIDNIGHT.

in the Congressional Record than in Joe Miller's Joke Book... Congressman Hunt, believe it or not, claims that someone wanted to pay the Turkish Farmers a subsidy

not of grow poppies because they supply 80% of the opium delivered to this country. Mr. Hunt objected because if the Turks cut down their Opium output it would mean that Mexico and Thailand would have to increase their production to take care of the demand. This reporter thinks we should subsidize the Turks not to produce Halvah. Do you mean to tell me that these guys that hang around Washington get paid over \$40,000 per year plus expenses and make the stupid statements we read in the Congressional Record. While high class people like bus boys, cocktail girls and waiters earn only a lousy couple of hundred bucks each

week?

Bill Bray, the Tropicana P.R. man, tells a cute story about the time he asked a waiter in Lindy's if the Sardines he ordered were Sappish. The smarty waiter said by the time we opened the can and put them on your plates they had no accent, they were too far gone to speak. Eh- maybe Bill will have a better story next week.

Just got the word that Nevada Savings and Loan showed fantastic earnings. The price of their stock is so low that it might just be a worthwhile investment for locals who are interested in the local economy.

When we asked Jon Gregory what he thought of the new films with the Nakeda Meydlich (Naked broads and the strong sex motif, he said that the new pictures teach Anatomy.

Watching that sensational catch that Willy Mays made last Saturday and the three instant replays reminded me of the time that a lady football fan said "I'd give anything to get an instant replay of my wedding night." This is cute and its true, when I told Frank Robb that they have a fire at the Stardust he said I'll run over to take a look. I suggested he take a book of matches with him just in case he wanted an instant replay.

How about King Sinatra opening for the Passover holidays at Caesars Palace. You can rest assured there will be a very pleasant mixture of Matzoh and Meat balls.

More Kabaret next week.
