

CJA BALL MAY 28 AT CAESARS

DR. LEONARD RAIZIN
CO-CHAIRMAN
PHYSICIANS, DENTISTS

We hear you, Israel.

The 6-Day War has ended. But the 6 day wars go on. That period of fighting over 2 years ago has been officially declared finished. Israel is now in a state of cease fire. But the 6 day wars go on.

And because they go on, Israel must still function in a state of emergency. Her money and her men must defend the country. So you, must try to hear that call And you must answer.
