Brenda Lee Opens At Fremont

Brenda Lee brings her vocal artistry to the Fremont Hotel's Fiesta Room.

Miss Lee, reaching new peaks of greatness with her recently released "I Think I Love You" Decca disc, boasts one of those truly magic voices. It has added much style, enchantment and lyric delight to a host of record hits.

Tiny in size, but tremendous in talent, Brenda is a petite bundle of energy and pyrotechnic personality.

Sharing the Fiesta Room spotlight with Miss Lee will be singing comedians Homer and Jethro and The Casuals, a group of seven talented young musician-singers.

BRENDA

COLLINS AT CP

Pat Collins, the hip hypnotist who makes hypnosis a hilarious hypnotic happening, makes her Caesars Palace debut Friday, May 22, when she opens a three-week engagement as headliner in the hotel's Nero's Nook lounge.

Opening on the same nightly bill with the exciting and beautiful Miss Collins will be brilliant young folk singer Steve De Pass, who also will be making his Caesars Palace debut, and the versatile contemporary rock group The Magic Grass. The three acts join sensational vocalist Thelma Houston, the Oriental Squad, and Bill Acosta, all of whom are currently appearing.

ISRAELITE ADS PAY

known properties include the Sahara Hotel, Mint Hotel and Sun City in Arizona. They closed 1969 with a backlog of construction orders totaling 192 million, the largest in their history. They are now engaged in a huge project in Hawaii and many other large construction projects around the country, including the county courthouse addition, that they were just awarded here in Vegas. Webb earned 50 cents a share in 69

compared to 34 cents in 68 and looks like they have a bright future ahead of them.

Just had the good fortune to engage in conversation with an extremely talented human being, King Errison. He does the background work with Diana Ross. We must admit she was good when she was with the SUPREMES. Her background music is excellent. Incidentally, we were pleasantly surprised to find out that King Errison

was in at least 10 movie and television shows and is less than 30 years old. (It should only happen to me). King's wife Chisako only has two things in her favor. We call it beauty and talent. Nuff Sed.

We were going to insult some of the bad shows in town - but we were told that the worst shows in Vegas are superior to the best any place else. We must agree.

More Kabaret Next Week.
