 WE DON'T WANT TO PLAY WITH YOUR HEAD. BUT...
 Is ordinary white, blue or green good enough for the bottom of your pool?
 We don't think so...
 We like:
 * Daisy fields that glow at night...
 * Mermaids who swim along with you...
 * Coral reefs with sunken treasure...
 * And custom designs in glowing colors to make you happy
 How much you ask? Not much more than repainting your pool... and far less than replastering.
 Make your pool a better place to swim in for seasons to come... give us a call... 736-9927 **OPEN MINDFIELD**
