KIRSCHNER OVERS ABARETS BY AL KIRSCHNER

Last weekend was the 4th of July. Many of you kids don't know that only one President was born on the 4th of July. His name was Calvin Coolidge. We were just Bar Mitzvah when he was inaugurated. He took the job over from another Republican called Harding who passed away just before the Teapot Dome Oil Scandal. The other important historical events that took place in the month of July were the July 4th passing away of former presidents John Adams, Thomas Jefferson and James Monroe. We know that most of this information is not important now when school is out. Save it for when you go back to school.

Outside of the warm temperature we know that

summer is here because Tal the bootmaker is starting to wear his Bermuda Schwartz. Incidentally why don't you guys do what we all are doing. We bring our old pants to Raul The Tailor in Somerset and he converts them to comfortable Bermuda Schwartz. Yes—Raul is in the Somerset Shopping Center next to my Master Furrier Store.

A funny thing happened to me on the way to MIAMI. The plane landed in Cuba instead. We left Las Vegas as all losers do and wound up in Havana. Me thinks Castro has the right idea, bring Las Vegas prosperity to Cuba. Reminds me of the pit boss who can pick your pocket in any game even if you're wearing pocketless pants. Very much the same as we

THE DARLING, DELECTABLE, MOST PERSONABLE KIM SISTERS OPENED ON JULY 3, MAKING IT ONE OF THE HOTTEST DAYS OF THE YEAR ON THE LAS VEGAS STRIP. AS CURRENT HEADLINERS AT THE STARDUST HOTEL LOUNGE, THEY ARE PLAYING TO STANDING ROOM ONLY PATRONAGE. THE ORIENTAL BEAUTIES ARE CELEBRATING THEIR 10TH YEAR AS ONE OF AMERICA'S GREATEST

ENTERTAINMENT BONANZAS. NO GROUP IN ALL SHOW BUSINESS HISTORY HAS ACHIEVED THEIR SKILL ON SUCH AN AWESOME ARRAY OF MUSICAL INSTRUMENTS. (27 IS THE LATEST COUNT). AND NO MUSICAL AGGREGATION HAS EVER MATCHED THEIR BOUNCE AND ENERGY, THEIR SAGACIOUS SHOWMANSHIP OR THE TEMPESTUOUS STYLING OF THEIR VOCALIZING.

lost a fur coat that way. Gotta tell you about my friend Milton Frank the Stardust man. He has been having trouble with his hat which is too tight. The other day he complained he couldn't get into his shoes. He broke up when we said "So your feet are swelled

also?". Hy Goldbaum, Mel Godlen and myself are getting up a collection to make Milt buy larger sizes. The Daily Dirt star Jon Gregory tells me about the time one of his friends was playing a deathbed scene and the director hollered out "put a little more life in your

your town. Just smile. Love the time many many years ago at the Saratoga Race track when Mopey Moe and I were at the last stretch turn. Mopey Moe leaned over the fence and shouted to his horse, pointing his finger at the same time, "They went that way".

Most people don't believe that ruth is stranger than fiction. Pat Ginn called me on the fone and even tho' we recognized his voice (he has a distinct Cantonese accent) we told him to call the Sands as they have very good Chinese food. But Pat double crossed me. He wanted to know FOXY'S phone because his wife and son had a yen for LOX and YOX. Methinks Pat reads my column.

Being bored is an impossible task at the Tropicana Hotel. We tried it last week when we took the Dean Blatts from Larchmont, N.Y. to see the Folies Bergere, easily the best of the spectaculars. Then a stop to listen to the Thundering Herd lead by Woody Herman and complete ecstasy with Matt Monro. We enjoyed a wonderful evening and believe it or not the Tropicana Hotel goes out of the way to welcome locals. Everyone including Bill Bray, Will Zimmerman and Babe Mirabelli were delightful to our guests who promised to spread the word when they get back East. How about the rest of Las Vegas? Lets encourage people to come to
