BOB TAYLOR FOR COMMISSIONER

Bob Taylor, well known Clark County resident, has filed for county commissioner for the unincorporated area.

Taylor, a Democrat, is the original builder and operator of the Ranch House Supper Club and Gun Club which he started in 1955. He and his wife, Ila, live in their own ranch house adjacent to the supper club. Bob has been in the restaurant business for 25 years since his discharge from the Army Air Force in 1945 at Nellis Air Force Base.

Bob is a member of the Las Vegas Elks Lodge No. 1468, Southwest Rotary Club, and is avid on skeet and trap shooting and snow skiing.

"I feel that, as a County Commissioner, my greatest responsibility and obligation is to insure good honest government run on a business basis, that is responsive to the will of the majority, not special interests." The candidate stated he is very concerned about our current master plan and zoning, and he would spend his full efforts toward fair administration of this area.

He feels an increase in the county's interest should be stimulated in the area of industrial

development. "There is tremendous competition nation-wide to attract clean industry, that will provide additional good jobs and not pollute air and water. We should become more aggressive in this area, with stronger support to the Southern Nevada Industrial Foundation (SNIF) and should get more results from the state Department of Economic Development.

"While we are interested in new business and industry for the new jobs, broader tax base, and a more stable local economy, we must also pay particular attention to the development and care of our natural resources and environment, especially our water supply and the adequate preparation for our fast growing and projected population.

In conclusion, Taylor stated that he wanted to provide fair and equal treatment and consideration to all the people of Clark County, especially the neglected citizens of the smaller areas.
