should have given it to him. The PSC got into morals and lost sight of their first objective, which was to provide service to the people of Reno who want and need buses, especially the elderly."

Thornley said he believes Conforte's motive in financing the bus line was to get public acceptance after operating houses of prostitution for a living.

"I don't want to look like I'm advocating the sale of human flesh," Thornley added, "but let's not be hypocrites."

Noting that many politicians wouldn't broach such a subject,

JAMES SANTINI FOR J.P.

James Santini, local attorney, was guest speaker at the Life Underwriters Association at the Showboat Hotel.

Santini, candidate for Justice of the Peace, told the underwriters that the public is fed up with delays in speedy administration of justice.

"If cases bog down in Justice Court, it impedes the entire efficiency of the administration of justice all the way down the line," Santini said, "because justice delayed is justice denied."

Thornley commented, "I don't think my view is that much different than the average man."

JAMES

Santini pledged to wipe out the existing delays in justice court.

the opportunity to put full time justice back into the justice court," concluded Santini.

Mr. Santini was a deputy district attorney, prior to the time he was appointed Clark County Public Defender. He resigned as public Defender in July to go into private practice.

Seniority

Nevada's Senator Howard Cannon has risen to the "top" fourth of the U.S. Senate in seniority. Together with Sen. Alan Bible that gives Nevada more seniority and strength than California, New York, Texas or Illinois. It would take until 1982 to begin to match the 12 years seniority that Senator Cannon has now! Nevada can't afford to wait that long! Protect your investment in Senator Cannon's seniority. Now, more than ever before, we need his strong, independent voice in the nation's capital.
