## SHOWCASE OF THE STARS

When Nick Kelly (real name Fiore) boasts about Volcano Mt. vs. vusius, we always squelch him with "Niagra Falls will put out the flames in two minutes."

Our favorite comedian is still Jack E. Leonard. Love the remark he made when he said "You're a great bunch of empty seats." And to think that Rickles still follows his insult routines. Incidentally we just learned that Leonard is becoming one of us. Yes, he is moving to Las Vegas.

Any of you who remember Damon Runyon must ask Bobby Lox from the Tower of Piz-za to tell you the story about his brother Itzchak -- this has to be the funniest -- as Bobby told me years ago -- you can't win 'em all.

Women are the greatest. When a lady tailor got the complaint "Look it took the Good Lord only six days to make the world -- so how come I have been waiting 3 weeks for my black pants?" the reply was perfect: "Look at the shape the world is in and o in and look at the shape of your black pants."

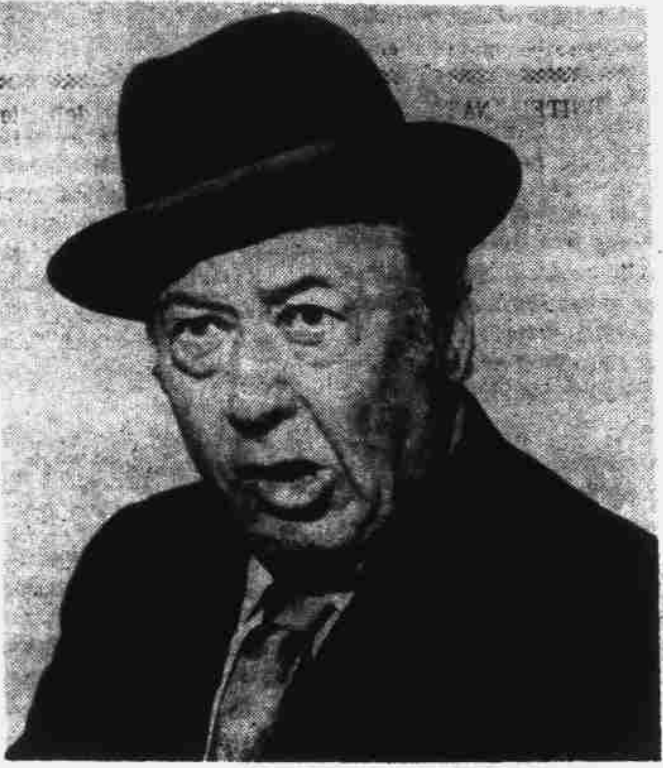

Lew Whitney's niece reviewed Elvis at the International. Oh what

a night it was according to Joyce Maren (half of a pair of beautiful twins). The fine gentlemen in the gambling casino like Mr. Newman and Mr. Vernon saw to it that our party had a good vantage spot. As Joyce says he is the greatest. Methinks that's why the International is always jammed to the rafters. Yes, we agree with Joyce "Elvis is a Superstar". Incidentally Joyce Maren is an exact lookalike for Nancy Sinatra.

Mark B'rent always had a problem with English. His last year at Morris Harvey College in West Virginia the professor asked him what do you know about Syntax -- smart alec Mark said "I didn't know we had a tax on sin".

Our stop at the Pussy Cat A G o Go was a revelation. Esther Anania is a Black Jack dealer and therefore she can claim precedence over the Hughes gal that started at the Slipper. Yes, she is a good dealer and the only thing wrong with her is that she reminds me of my pretty daughters. It's distracting when you hit a 16.

That party last week

**B.S. PULLY, RASPY-V OICED COMIC, WHO IS ONE OF THE FUNNIEST MEN IN ALL OF SHOW BUSINESS, OPENS A LENGTHY ENGAGEMENT AT THE PALOMINO CLUB IN NORTH LAS VEGAS. HE INSISTS THE B. S. STANDS FOR BERNARD SHAW, AND WE INSIST HE IS AN ALL TIME FAVORITE OF THE ISRAELITE.**

end for Judge Joe Pavlikowski proved without a doubt that there isn't enough parking for all the nice people who like to attend a party for a good Joe. We had to park two blocks away. We and all our friends from the Italian American club enjoyed it. We suggest that in the fu-

ture you show up early, because Pav is a delightful host.

Bill Bray at the Tropicana claimed that Peter Nero was the best piano man and Master Furrer Frank Robb who sat through two performances agrees. Frank claims that only Pad-erowski was his sup-

rior. Reve White from the Toy Corral claims that the old song "The Best Things in Life Are Free" is passe -- because the price has gone up.

The show at the Landmark according to Dwayne Hickman has been doing excellent business. Carter and Jesen as a team do a good job. We honestly believe that Jensen, the Hawaiian singer, turns the girls on. Carter, the funny man, has always kept us watchers and listeners entertain-

ed. The follow up show of Bobby Darin has to be a gas.

More Kabaret next week.
