'SHOWCAST OF THE STARS'

KIRSCHNER OVERS ABARETS BY AL KIRSCHNER

Listening to Bobby Darin was the most fun according to Mr. & Mrs. Richard Cooper. They loved his new style and they enjoyed every moment of this fantastic performer. Denise (that's Mrs. Cooper) claimed Bobby is a better all around performer than most of the entertainers on the current scene. We must agree. Incidentally, the food is great and this is the best news of all. The locals are beginning to flock to the LANDMARK which means that Dwayne Hickman is doing a great P.R. job bringing people to visit and enjoy themselves.

That Jack Tell has to be the luckiest guy in the world. He has just become a grandfather again. Their Alice presented them with a beautiful baby girl.

How about that Sinatra? Always makes the front page. He had a Sands problem now a Caesar problem. We think he should be booked into the Silver Slipper for the Wednesday fights. This would be a Heck of a drawing card if he was matched against Belle Barth from the Flamingo Hotel or Todie Fields from the Riviera. We're just funning we don't think he would hit a girl.

We're happy that Lovable Lenny from the Churchill Dwons came out of the hospital in good shape. Incidentally our new Assemblyman Sammy Cohem who is the owner and operator of the SANTA ANITA race book has a claim to fame. He has the rare one that is going into

the general election without doing a bit of campaigning. The only announcement of his candidacy was in the Israelite. What a love-label man.

The Desert Inn opening of Durante and pretty Abbe Lane is an innovation at the Desert Inn. Their Pzazz shows and Hello America were extraordinary and rivaled the spectaculars at the Stardust, Dunes and the Tropicana. The opening of Durante and Lane is September 10. Incidentally the lounge show is not bad at the D.I. We liked it better two weeks ago when the Irish Kids and the original cast of the Daily Dirt which meant the Gregorys, were the advertised mainstays of this fun spoof of the scandal papers.

Must explain that Irene Robb's birthday was Thursday September 3rd and we were celebrating at NISHONS due to the gentle urging of Jack Tell and Joe Delaney who always rave about the wonderful food. They were right as usual. The fine food that was served was super. Yes, this is a must stop for gourmets.

We missed the opening of Kay Starr at the FREMONT HOTEL but we must admit the raves of Bernie Drimmer, who covered the show for two New York newspapers. He said we have no shows as good as this back east. Bernie also said that the price of a dinner and show in our Vegas is exactly 1/2 of what is charged in any good restaurant in New York. This is a must to remember. My Miriam who just returned

ed from a trip to New York to add to her "Beauty For Madame" business tells me that lunch for two at a grind joint like Long-champs now runs to \$10. The worst buy in town has to be the KRUM joints downtown that BUY hot furs and hot jewelry from peddlers when legitimate retail and wholesale stores have the same things at lower prices right here in Vegas.

September seems to be a hard luck month for presidents. Both presidents Garfield and McKinley passed away before completing their term in office and it happened in September.

Just received a nice letter from Eddy Arnold who is doing a great job at the Sahara-Tahoe. Yes, he is good - we enjoyed him - so did the audience. We hope he returns to the International real soon.

Ladies, this is a reminder from Irene Asbyll, one of the B'nai B'rith lady workers, that the annual Pan Tournament at the Stardust Auditorium which is dispensing \$1000 in cash takes place on September 12th at 8 p.m. Since this is a Saturday night we guys will have a night on the town.

Scotty Ferrer tells about his acquaintance that used to drink to steady his nekves. He got so steady he couldn't walk.

Must admit the Landmark made a good move - moving their upstairs show, downstairs. No more waiting for elevators to see an excellent show. We particularly enjoyed Alliene Flanery. She is funny, she is talented, and she is a great improvement

over the last over-wight. Nuff Sed. More Kabaret next week.
