Used to love the visits to Lindy's where one wise guy walter knew all the answers. When we asked him what time it was and he always had the same reply: "sorry its not my table."

Joey Heatherton at Caesars has finally hit the headlines, her husband Lance Rentzel of the Dallas Cowboys has been accused of indecent exposure. This is one of the greatest wide receivers in pro ball. When we saw him play on T.V. he was always covered and heavily padded, yes, he even wore a face mask.

Esquivel tells me that his group of sixteen which includes my foster daughter Yvonne De Bourbon, is going into the Carribe Hilton in Puerto Rico on December 24th. They will be back very soon to entertain us as they have done in the past at the Stardust. Stephanie Wood, the lovely daughter of my favorite chef at the Tower of Pizza, is just completing her course at the children's theatre at the UNLV. Her instructor, Liz Wilson, is supposed to be the greatest. We agree.

The Saints and Sinners meeting was indeed a memorable one. As usual that Fur King Sam Mannis carried the ball and was very ably assisted by Tony Martin (he's that good singer in the Flamingo) and Hal Morrelli of T.V. Fame from Channel 3. Bill Bray the P.R. man at the Tropicana was

roasted and then toasted because he conducted himself very well. All in all we had a very interesting turnout and it is to be noted that all the proceeds of our meetings are distributed to charitable projects in Clark County. Woody Cole our Constable, forgot that the election was over and brought more combs for

the baldheads. Cy Newman, the KVOV radio man, was there. Cy is a sound alike for Clem McCarthy.

The Smothers Brothers, who opened last night at Caesars, were not just nice, they were wonderful. They Smother you. All Caesars Palace shows are great. We were thrilled with the Everly Brothers doing their thing. Caesars Palace is a must for people who like good entertainment. Dancing to Pupi Campo in Cleopatra's lounge is not too hard to take.

How come a tiny state like New Jersey (which has no gambling) can operate without a

sales tax? Kay Wallerstien's husband Harry asked a friend were you lucky at the race track yesterday? The answer: Was I lucky, after the last race I found a quarter so I didn't have to walk home. All we can say Harry this is a good Meisa, please send us more.

One of the sweetest guys we ever met has to be Major Kaye. He is always going out of his way to do nice things,

"HELLO DERE" AT FLAMINGO

Mary Allen, the frizzly-haired gnome who made "Hello DERE" his national calling card, brings his new revue into the main showroom of the Flamingo Hotel Dec. 10 when he opens an 18-day engagement with songstress Kaye Stevens.

Allen is one of the few variety performers to have abandoned a successful career only to attain new success in

a "second career." Less than two years ago Allen and his partner, singer Steve Rossi, were riding high as the No. 1 comedy team in show business. With virtually no fields left to conquer, Allen and Rossi decided to pursue separate careers.

Miss Stevens has always been popular with Las Vegas audiences, who have seen her rise from an obscure performer in downtown lounges to a major strip showroom star.

Fats Domino, Wayne Cochran & the C.C. Riders, Judy Lynn and the Kim Brothers star in the Flamingo Casino Theatre through Jan. 6.
