

'HILLSWAY'
by
Roland Hill

A NEW COLUMN BY AUTHOR, WORLD-TRAVELER, GOURMET, ROLAND HILL, WHO WAS NAMED "MR. SEE AMERICA FIRST."

Tom Wiesner was born Feb. 28, 1939 in Wausau, Wisconsin and now lives at 2804 Colanthe with his wife, Lynn, who happens to be one of the prettiest gals in town. They have one daughter, Kari Linn, born Oct. 12th, 1969. Tom is a graduate of the University of Wisconsin, as is every member of his family. He is an ardent Catholic, a member of the Elks, C. of C., Nevada Chapter of Kentucky Colonels, (he is Treasurer), the Blue Coats and was Business "B" Chairman of the United Fund.

Tom was Captain of the Wisconsin Football Team of 1960, most valuable player in 1960 and Outstanding Athlete of the Year 1960-61. He has traveled much through France, England and Italy, the Virgin Islands, as well as all around this country, loves to play golf, hunt and fish and play tennis.

He owns the Wiesner Tire and Automotive Center at 1430 South Main with a branch at 1608 E. Charleston, and is one of our most up and coming young business executives.

In the recent election he won Darwin Lamb's seat on the Clark County Commission and will take office the first of the year. Mayor Gragson

TOM, LYNN & KARI LINN

appointed Lynn a member of the beautification council just recently. Tom has been a resident of Las Vegas the past seven years.

Watch him politically--he is going places for sure. He is ruggedly handsome, well-built, out-going, easy-to-meet and friendly as all get out; just one great and regular fellow.

EL AL ECONOMY GROUP TRIPS

El Al Israel Airlines pioneered lowest cost economy group travel to Israel and developed it to the point where, at times, it became the leading destination in the highly competitive trans-Atlantic market.

With delivery of its two 747 aircraft only a few months away, the carrier is now concentrating on applying its successful formula to European destinations, where it is decidedly a "Number Two" and must try harder to win clients and influence travel decisions.

For its first European tour offerings it has chosen a dynamic tour operator, Travelplan Inc., and two of

the most popular low cost packages in the winter / early spring market, which are sold under the label, "Les Grands Theatres."

The London far Off-Broadway tour is of two weeks duration and includes 7 nights at the best-of-season-drama on the London stage, much of it destined for Broadway later on.

The second package, also two weeks, is about equally divided between London and Paris and provides a gay and frivolous Gallic change of pace after a week of some heavy legitimate theatre - going in London.

Les Grands Theatres tours can be booked through all authorized travel agents.
