

OF THE STARS

Palace. This is for amateurs only. We are at a distinct disadvantage because we only have 7,000 amateurs to choose from whereas the Russians have 330,000 subsidized amateurs.

Which reminds me of an old story of a prizefighter who couldn't fall asleep. Dr. Ted Jacobs advised him to "make believe you're in the ring and count slowly to ten".

The Oscar Goodman (local attorney-pardon me good attorney) story this week concerns the time he asked a witness if the defendant was expensively garbed? The witness promptly replied "she certainly was, I know expensive garbage".

Raul, the famous tailor, in Somerset asked a customer very politely "How would you like a belt in the back with a cuff on the pants?" Customer replied very angrily "and how would you like a sock in the nose".

More Kabaret Next Week.
