# When you fly to Europe, keep it in the family

When most people think of EL AL, they think of Israel. That's pretty logical, since Israel is where we come from.

But please don't forget about the other places we fly to.

If you're traveling to Europe, you can take an EL AL flight to London,

Rome, Athens, or Geneva. And if none of these cities is your destination, take EL AL to one of them anyway. We'll make arrangements for a connecting flight on another airline from there to wherever you might be going.

What's important is that your trip

to Europe on an EL AL flight will be supporting the Israel economy. And EL AL is part of the economy.

For information on our European schedules, contact EL AL or your local travel agent.

The folks back home would appreciate it.
