The American Mah-Jongg League, Inc., has been started by 4 housewives from Cleveland, Ohio, who have decided that after 34 years of having to use one type of Rules and Hands from one Company, Mah-Jongg players throughout the country should be able to have a choice of more than one set of Rules and Hands. After researching and working on the card for over a year the girls have come up with a new sturdy, convenient 2-fold shape card that is laminated. The card has colors that are easy on the eyes plus several new ideas, all rights
