

Only in Vegas

By
Helene Stadler

Sophie Katzman home after a grueling trip to Florida and NYC to be with her ailing mother.

Bryan Greenspun graduated from Georgetown university majoring in law. He is the first Las Vegas graduate from that excellent school. His sister Janie is working as a script girl in the office of Gregory Peck and will be emoting before too long. This family is one of my favorites and I am very happy that their children are proving to be such a joy to them. Danny someday will be a well known scientist and Susan is busy bringing up her son, the only grandchild for the time being of Hank and Barbara.
