

BB YOUTH HITS ARAB PROPAGANDA

WASHINGTON, D. C. -- Arab propaganda consists of a contradictory mass of lies designed to discredit Israel in the eyes of every nation, race, group and faction, states one of the most authoritative writers on Near East affairs.

This thesis is elaborated in a 72-page booklet, "The Rise of Israel and the Arab

Confrontation," by I.L. Kenen, executive director of the American Israel Public Affairs Committee, published specially for teenagers by the B'nai B'rith Youth Organization.

"Arab claims that Israel is leftist and radical and that Israel is also rightest and reactionary are put forward simultaneously in order to please the

audience of the moment," writes Kenen. "For the New Left on the college campus Israel is 'fascist'; for the ultra-conservative and the bigot, Israel is labelled as Communist. Arabs appeal to the right wing in this country by arguing that the Russians would have no gains in the Middle East but for the existence of Israel. They twist the truth.

RUSSIAN JEWS' TRIALS CONTINUE

LONDON (WNS) -- Jewish sources in the Soviet Union denied reports that Hillel Butman, one of the Jews convicted in the Leningrad trial last December, had implicated three of the Jewish defendants in the Kishinev trial. The sources denied that Tass report that Butman had identified David Chernoglaz as an organ-

izer of the alleged hijack plot last June and identified Alexander Galperin and Arkady Voloshin as accomplices. They said Butman merely re-

peated that none of the defendants had participated in any anti-Soviet activities. In other developments, 33 Latvian and Lithuanian Jews staged a hunger strike at the Moscow Post Office.
