

# Only in Vegas By Helene Stadler

Principals can call evening meetings under emergency situations and require teachers to be there, according to an arbitration ruling received by the Clark County School District and the Clark County Classroom Teachers' Association.

Congressman Walter S. Baring, D-Nev., announced in Washington, D.C. that \$395,047 is being allocated to Nevada's four universities and colleges in three separate grant, loan and scholarship programs for the coming school year.

## HELP FIGHT MD

Mrs. Willis L. Bergh, President of the Clark County Chapter of Muscular Dystrophy Associations of America has issued a call for volunteers to perform a variety of services in connection with the 20-hour Jerry Lewis Labor Day Telethon to be seen in Las Vegas over station KLAS TV, channel 8. Jerry Lewis, national chairman of MDAA, will host the super-spectacular which will originate "live" from New York beginning at 7:30 P.M. Sunday, September 5th and ending at 3:30 P.M., Monday, September 6th. KLAS joins over a hundred "other television stations throughout the country who will televise the entire 20 hours of the mammoth entertainment extravaganza. A record \$5,093,385 was pledged during the Labor Day Telethon last year seen over a nationwide network of only 65 stations.

Clark County residents will view the telethon from the beautiful Colosseum Convention Hall at Caesars Palace with Gus Guiffre serving as our local host. Volunteers are needed for the telethon, according to Mrs. Bergh to man telephones, to serve as hosts and hostesses for guest relations, as typists, clerks, messengers and chauffeurs. Those who wish to volunteer their services should call 878-3398 or 382-9415. MDAA supports some 90 research projects in medical and scientific institutions throughout the world, and maintains a network of free clinics in major population centers throughout the United States. Local Chapters offer "free assistance" to patients within the area that are in need of wheel chairs, braces, therapy, clinical diagnosis or medical attention.
