

New Year Message

Dear United Synagogue Member:

As we approach the High Holidays and are sensitized to the quality of life, our thoughts turn to two major problems facing American Jewry - the survival of Israel and the easing of the plight of Russian Jewry. Each of us has an obligation to place before the conscience of the world these twin concerns.

The United Synagogue of America is proud to offer you "Israel Must Live" stamps. This is an original piece of art by Paul Freedman, one of America's outstanding artists. I urge you to place one of these stamps on every letter you send out.

We ask that you send \$5.00 payable to the United Synagogue of America for a sheet of stamps, and indicate how many additional sheets of stamps you would like at \$2.50 a sheet.

The United Synagogue will use these funds to

expand its programs relating to Israel and Soviet Jewry and to inculcate our youth at every age level with their responsibility to play a role in supporting these two great ideals.

This is your opportunity to DO SOMETHING for Israel and Soviet Jewry.

With best wishes for a Healthy and Happy New Year.

Cordially,
Jacob Stein
(Pres. United Synagogue of America, 3080 Broadway, N.Y.C., N.Y. 10027.)

JERUSALEM (WNS)--Edward Gelber, a former president of the Zionist Organization of Canada, died at the age of 67.

PARIS (WNS)--The European Council of Jewish Community Service has begun a program for a massive increase in the number of Jewish educators serving the European Jewish communities.

Happy New Year
