

JWB ARRANGES HOLIDAY SERVICES

The three Jewish chaplains in Vietnam -- Marc A. Abramowitz, Harold Axelrod and Albert M. Dimont -- will officiate at High Holy Day services for men in various sectors of that area. Chaplain Herbert A. Yoskowitz, Jewish chaplain in Korea, arranged for a pre-Rosh Hashanah penitential service (Slichot) as part of the observances for Jewish members of the military and civilian communities of Seoul. Because of the

shortage of full-time Jewish military chaplains, 15 civilian rabbis have accepted special assignments to conduct services at Army, Air Force and Navy bases in the United States, the Azores and Naples, Italy.

Army men will be led in prayer by Rabbi Henry Oppenheim at Fort Bragg, N.C.; Rabbi Nathan Witkin at Fort Polk, La.; Rabbi Irving Levey at Fort Campbell, Ky.; Rabbi Avram Soltes at Fort Jackson, S.C.; Rabbi Gershon Feigon at Fort Riley, Kan.; Rabbi Leo Haim at Fort Bliss, Texas, and Rabbi Marcus Bryer at Fort Huachuca, Ariz.

At the Castle Air Force Base, Calif., men will be led in prayer by Rabbi David Greenberg; at Vandenberg AFB, Calif., by Rabbi Israel Weisfeld; at Wright-Patterson AFB, Ohio, by Rabbi Aaron Lefkowitz; at the Azores AFB by Rabbi Morris Goodon; at George AFB, Calif., by Roger Goodman, and at Edwards AFB, Calif., by David Resnick.

Rabbi Joshua L. Goldberg will officiate at services for men at the U.S. Navy Complex, Naples, Italy, and Rabbi Tibor Fabian, a part-time Jewish chaplain, at the Camp Lejeune, N.C., naval station. Torah Scrolls, prayer books, prayer shawls,

skull caps, ram's horns, kosher foods, Jewish calendars and inspirational literature were among the supplies sent by JWB for High Holy Day services at these installations, as well as for those to be conducted in Thailand, Japan, Okinawa, Germany, Greece, Goose Bay (Labrador) Panama, Iceland and Greenland. Religious materials have also been provided by JWB for U.S. servicemen on duty at embassies overseas, for foreign service personnel and Peace Corps personnel serving in remote regions of the world.

High Holy Day gifts and traditional Jewish foods were sent to the USO Clubs in Vietnam for the Jewish men using those facilities during the holiday period. Ambulatory Jewish patients in VA hospitals will participate in observances and others will hear the services piped into their wards over hospital public address systems. At some military posts, leave is being granted to permit men to travel home for the holidays. A number of men will be offered home hospitality in local communities for the holidays.

Cooperating in holiday arrangements with the chaplains are the JWB Women's Organ-

izations' Services, local JWB Armed Forces and Veterans Services Committees.

JWB is a member agency of USO. It is

a beneficiary of the United Jewish Appeal of Greater New York and of hundreds of Jewish federations and welfare funds throughout the country.

Would you like Tomorrow's car. today?

We wish we could bring it to you. It may even be powered by electricity! We also wish we could bring you tomorrow's power plant today... silent, invisible and pollution free. That's our problem. We at Nevada Power Co. must be concerned about the future, and it takes years, from the beginning of design to completion, to get a new power plant "on the line." We desperately need tomorrow's technology... today. But we sincerely believe that a nation that can take a man to the moon and back can solve these problems, and we're working on them, because...

We live here, too!
