## Chanukah Commemorates

By RABBI SAMUEL SILVER

Chanukah commemorates a battle but behind the Maccabean victory was the intense desire of the Jewish people to avoid conflict and strife. Not until the bigots and brigands of that

## TELLING IT LIKE IT IS

DON TELL

### Pardon Me, "Mr. Dealer"

The scene is set at one of the larger strip hotels. Outside, the bellmen are busily checking in a turnover crowd of about 1500 tourists. Inside, business on the casino level is brisk and everything seems to be running normally. People are laughing, drinking, gambling and having a ball.

All of a sudden an argument breaks out at number 14 crap table. A customer is screaming that he didn't get the right payoff back on a rather large come bet with odds. The crap dealers listen to the complainer for a while. A sly smile creeps over the stickman's lips. The boxman closes his eyes. Then the stickman takes a black jack out of his rear pocket, slams the customer twice across the

## TELL TALES

"One Man Plus The Truth Constitutes A Majority"

BY JACK TELL

TO BE CERTAIN THERE IS NO MISUNDERSTANDING, THE OBSERVATIONS EXPRESSED BY JACK TELL ARE HIS AND HIS ALONE, AND SHOULD NOT BE CONSTRUED AS THE OPINIONS OF TEMPLE BETH SHOLOM OR THE JEWISH COMMUNITY AT LARGE.

## Greenspunism

Sun Publisher Hank Greenspun is emerging as the successor, on a local scale, to the late Senator Joe McCarthy.

One of the principles of the Communist Manifesto is to adhere to the doctrine that "The End Justifies The Means." In other words it does not matter how you arrive at a destination, so long as you get there.

The most outstanding individual proponent of this unethical method of achievement in recent times, were the tactics utilized to their obscene fullest by Sen. Joe, whose alleged purpose was exposing Communists in our government and in high public life. Many of us then were in accord with the noble quest of eliminating Red infiltrators from our midst, but what dismayed and disgusted all honest Americans were the downright indecent methods of approach employed by McCarthy. Deliberate lies, false witnesses, gross innuendoes and horrendous distortions and exaggerations were his ammunition to stir up the unsuspecting, duped public. As a result many, many more innocent, highly respectable citizens were destroyed than Communists exposed, if any.

What McCarthy achieved, before a long and tedious exposure as a fraud, was national and world-wide notoriety and the coinage of a new word in our vocabulary, McCarthyism. His was an inglorious end as a stumbling, blabbering drunk, ignored by responsible persons.

While McCarthy's methods were questionable, at least his purported quest at the time was noble.

What is Greenspun's excuse for his ceaseless, uninterrupted, unremitting, constant tirade to destroy the credibility of Howard Hughes and the Hughes Tool Company Nevada operations? If McCarthy's goal had merit and was proven correct it would have served a patriotic purpose. What possible advantage could come out of Greenspun's allegations even if they are 100% accurate? Maybe a new word in our language, Greenspunism. Certainly mankind would receive no benefit, and assuredly great harm would come to Nevada. Possibly the only reason for Greenspunism is to serve a personal, selfish
