

100,000 PETITIONS FOR SOVIET JEWRY

CHICAGO (WNS) -- Ten thousand petitions on behalf of Soviet Jewry, containing more than 100,000 signatures from persons in Illinois and Congressmen from all parts of the country, have been gathered in a campaign begun early this year by Enoch Silverstein of the Community Council of Jewish Organizations of Chicago, and his wife, Marjory.

JEWIS ARE MAJOR RELIGIOUS US GROUP

NEW YORK (WNS) -- Prof. Sidney Goldstein of the Department of Sociology at Brown University reports, "although Jews are considered one of the three major religious groups in the U.S., they are less than 3 percent of the total population, and, in fact, are undergoing a continuous decline in proportion as the total population grows at a faster rate than do the Jews."

He made this observation in an article "American Jewry, 1970: A Demographic Profile" appearing in the 1971 American Year Book, a co-publication of the American Jewish Committee and the Jewish Publication Society of America.

Goldstein said from a percentage high of 3.7 in 1937, the Jewish population had decreased to 2.9 percent in 1970.

addressed to the Soviet government, demand the end of the "inhuman persecution" of Soviet Jews and that Jews be permitted to leave the USSR.

The petitions have been sent to Washington for presentation to the

Soviet Embassy. If the Embassy refuses to accept them Rep. Sidney Yates (D., Ill.), a former U.S. representative to the UN, will present them to U.S. Ambassador George Bush and ask him to turn them over to the appropriate UN Agency.
