### BLACKS URGE ISRAEL-EGYPT DIALOGUE

JERUSALEM (WNS) --The four African presidents representing the Organization of African Unity's fact-finding mission to Cairo and Jerusalem left for Egypt after a three day visit to Israel.

Prior to leaving, Pres. Leopold Senghor of Senegal, suggested the group prepare practical proposals for a dialogue between Israel and Egypt.

The OAU has consistently favored resolutions supporting Egypt and calling for Israel's withdrawal from the

occupied territories. In a radio interview, Pres. Senghor said that he, personally, has "always felt an affinity for Israel" because of the spiritual parallels between her ideas of freedom and those of the African liberation movement.

Members of the delegation include, besides Senghor, Presidents Yakubu Gowon of Nigeria, Ahmadou Ahidjo of Cameroon, and Joseph Mobutu of Zaire (formerly Congo Kinshasa).

### PROTEST TORTURE OF SYRIAN JEWS

NEW YORK (WNS) --More than 1,500 persons attended a rally opposite the United Nations to protest the imprisonment and torture of 12 Syrian Jews. The rally was sponsored by the Committee for the Rescue of Syrian Jews.

Messages were read from Sen. Hubert H. Humphrey (D., Minn.) and William J. Vanden Heuvel, former president of the International Rescue Committee and vice-chairman of the Committee of Concern, calling for the release of the imprisoned Jews. A message from Rabbi Israel Miller, president of the American Zionist Federation, castigated the UN, stating "It is most disturbing that instead of facing this

situation -- when the lives of 4,000 people are in grave danger -- the UN and its Secretary General are busily dealing with accusations against the imaginary mistreatment of Arabs in Israel."

In Jerusalem, Foreign Minister Abba Eban reported to the Knesset that the situation of Syrian Jews had worsened in recent months. In Florence, the Federation of Jewish Students in Italy appealed to the Italian government and Parliament to intercede with the governments of Syria and Iraq for the release of Jewish prisoners and permission for the remaining Jews to emigrate.

NEW YORK -- The spinning of dreidles (Hanukkah tops) will be a popular activity at a number of U.S. military installations as Jewish children living on post with their parents celebrate the Festival of Lights through arrangements made by the National Jewish Welfare Board.

JERUSALEM (WNS)--The Jewish Agency's immigration and absorption department claimed that "communist provocateurs," members of Israel's pro-Moscow New Communist Party (Rakah) were provoking discontent among Soviet emigres from Soviet Georgia and urging them to return to the Soviet Union or to send "despairing" letters to relatives complaining of their conditions in Israel.
