PROTEST ZOA AWARD TO REP. FORD

CLEVELAND (WNS) --Members of the Radical Zionist Alliance protested to the Cleveland region of the Zionist organization of America over its grant of a Rabbi Abba Silver Award to House Minority Leader Gerald R. Ford of Michigan.

Joel Walters, an RZA spokesman, said RZA

members from Cleveland and Kent told ZOA regional officials that honoring Ford was a "disservice" to the Jewish people.

RZA members rejected a ZOA assertion that Ford was being honored only for his views on Israel," and said Ford "encourages genocide in Vietnam and

refuses to support basic domestic needs in this country," and should

not be honored by the Jewish people.

Israelite Ads Pay

NEW YORK--The end of 1974 has been set as the target date by the Association for the Planning and Development of Services for the Aged for the completion of new regional centers, expansion of some existing facilities and the opening of new geriatric wards in general hospitals in Israel, it was reported by Edward Ginsberg, Chairman of the Joint Distribution Committee.

RUSSIAN JEWS ABUSED

NEW YORK (WNS) --Jewish sources reported that Eva Butman wife of Hillel Butman,

a Russian Jew sentenced to a 15-year prison term in 1970, was arrested, questioned and brutally beaten by the KGB Secret Police after she visited her husband in the Potma camp earlier in the week.

The sources said a KGB officer told Mrs. Butman it was "useless to oppose us."

She reportedly plans a letter to the Interior Minister to protest the attack on her. She is recovering at home from lacerations and bruises.

The sources also reported that a medical examination of Vladimir Slepak, an engineer-activist, found he was not physically fit for manual labor. He had been ordered to take a gravel-hauling job or face a charge of parasitism, a Soviet device for controlling dissidents.

He refused and got the examination.
