

22 STATES, UAW LEADERS, ASK NIXON SPEAK FOR SOVIET JEWS

WASHINGTON (WNS) --Governors and Legislatures of 22 states have urged Pres. Nixon to in-

tervene on behalf of the religious, cultural and emigration rights of Soviet Jews when he visits Moscow in May, it was reported at the 12th plenary session of the B'nai B'rith's International Council.

In New York, the National conference on Soviet Jewry and the Jewish Labor Committee announced that the leadership of the 1,400,000 members United Auto Workers Union have petitioned the President to "exert influence to help free Jewish prisoners of conscience and to help Soviet Jews achieve the fundamental right to live as Jews and to leave for Israel and elsewhere."

ALARMISTS DISTORT MID-EAST HISTORY

CLEVELAND (WNS) -- Msgr. John M. Oesterreicher, director of the Institute of Judaeo-Christian Studies at Seton Hall University, New Jersey, told a meeting of the Cleveland chapter of the American Professors for Peace in the

Middle East that alarmists were distorting Middle East history.

The alarmists, he said, like to present the reunification of Jerusalem as an annexation by Israel. In doing so, he added, "they either ignore or suppress the fact that it was TransJordan which, in 1949, annexed 2,000 square miles of Central Palestine, the so-called West Bank together with the Old City of Jerusalem" an act which was opposed by all the other Arab States. Msgr. Oesterreicher said that when Jordan took over the Old City it was not an Arab city. They "turned the Old City into an Arab one, by expelling all Jews--

or to use a Nazi term by making it "Judenrein."

In Jerusalem Deputy Premier Yigal Allon assured Moslem religious leaders that the government was committed to protecting Moslem places from damage and that archaeological excavations conducted in the Temple Mount area would not endanger the adjacent mosques.

LIAISON FOR JEWISH-CATHOLIC UNITY

PARIS (WNS) -- The Liaison Committee for Jewish-Catholic Cooperation, organized one year ago at the Vatican, held its first meeting at the Paris headquarters of the Jewish consistory to outline its aims and map a program for the next three years.

The Committee consists of five high ranking Church officials appointed by the Vatican and five Jewish leaders designated by the International Jewish Committee on Inter-religious Consultations.

The first topic to be discussed will be the religious significance of Judaism to the land of Israel.
