

JOE DALY FOR ASSEMBLY

Joe Daly, running for Assembly District #16, has been a lifelong Democrat. He has been a resident of Las Vegas for the past 10 year, and has been very active in charitable work. Through politics he became a friend of Hubert Humphrey and worked for him in the 1968 election.

He has worked on more community projects since moving to Nevada than all of his competitors combined. He was one of the leaders trying to stop the

last half cent tax increase. He often walked to school with the children of his community to protest the school oboard ruling of busing for children over 3 miles. Daly was one of the reasons why The School Board revised its own ruling.

He will work for Consumer protection, Ecology, Equal and quality education, 18-21 yr. old equal rights, Better Nevada industrial commission benefits, Better senior citizen benefits, Better working condi-

JOE

tions for state employees and a stronger Nevada Highway Patro.

He is a go-getter, and will be able to accomplish most of his platform.
