

JEW'S CONDEMN ROCKEFELLER PLOY FOR NIXON

Two Southern Cal., Jewish leaders condemned what they called "a cruel and unfounded piece of political rhetoric" on the part of Nelson Rockefeller. The New York Governor claimed that Pres. Nixon had come to an agreement with the Soviet Union on an annual emigration of 35,000 Soviet Jews during his trip to the Soviet Union last May.

Zev Yaroslavsky, Chairman of the California Students for Soviet Jews charged that Rockefeller and the Nixon administration "knowing-

ly spoke untruths solely as a ploy to gain Jewish votes in the Nov. elections." He noted that "the rate of 35,000 Jewish emigrants per year had been reached last December and Jan. long before Nixon ever went to the Soviet Union.

Yaroslavsky also charged that President Nixon's past performance and interest in the Soviet Jewry arena could not substantiate Rockefeller's claims.

"Nixon has never spoken out for Soviet Jewry's right to free emigration," Yaroslavsky said.

Si Frumkin, Chairman of the Southern Cal., Council for Soviet Jews charged that Rockefeller's statement would raise false hopes among Jews in the Soviet Union. "We know that our brothers in Russia will view this statement as the coming of the Messiah, but in the end they will be disheartened and their morale sabotaged when they learn that Rockefeller's statement was a cheap political ploy," he said. "None of us will stand to see Soviet Jews be used as pawns in any political campaign, Democratic or Republican. The issue of Soviet Jewry is above politics," Frumkin said.
