

PRO-HITLER REMARK DELAYS UGANDA LOAN

WASHINGTON (WNS) -- The U.S. is delaying a \$3 million loan to Uganda for livestock development in the wake of the anti-Semitic telegram sent by Ugandan Pres. Idi Amin to UN Secretary General Kurt Waldheim in which Amin

praised Hitler for killing six million Jews. State Department spokesman Charles Bray said another reason for the delay was "incidents" affecting American citizens in Uganda.
(At the UN, Waldheim

told newsmen he had not received any communication from Amin.)

Bray said "any such description of the Holocaust is deeply shocking and incomprehensible but especially when it comes from a national leader." He said U.S. Ambassador Thomas Melady had been instructed to raise the contents of the Amin telegram "at the most effective level in the Uganda government."

BLACK SEPTEMBER LEADER IDENTIFIED

TEL AVIV (WNS) -- Informed sources here identified the "mastermind" of the Black Sept. terrorist group as 42-year-old Jaffa-born Salah Halaf Abu Ayyad, who is reputed to be the number two man in the El Fatah.

Black September is believed to be the underground arm of El Fatah.

Other sources here said there were indications of a link between Tunisia and the Arab terrorists who murdered 11 Israeli athletes at Munich. They referred to reports that the terrorists in the Olympic compound were in walky-talky radio communications with an unidentified Tunisian "colonel" and noted that Tunisia had offered to receive the terrorists &

their Israeli hostages. The Tunisian Olympic delegation led the funeral procession for the slain terrorists.

INVESTIGATE MUNICH MURDERS

JERUSALEM (WNS) -- Premier Golda Meir appointed the three members of a committee she had said would be created to investigate the murders of the 11 Israeli athletes in Munich from all aspects. Former police chief Pinhas Koppel was na-

med chairman of the committee. The other two members are Avigdor Bartal, general director of the Haifa refineries, and Moshe Kashti, general director general. Bartal was chosen for his experience as a member of a number of investigatory committees.

WORLD-WIDE CAMPAIGN TO FREE LEOPOLD TREPPER

PARIS (WNS) -- French author Gilles Perrault has launched a worldwide campaign to free Leopold Trepper, former leader of the World War II anti-Nazi "Red Orchestra" espionage ring.

In announcing the formation of his movement, Perrault revealed that Trepper's fourth application to leave Poland and join his sons in Israel had been rejected. "We want Trepper and we will get him come what may and by whatever methods we may have to use.

All methods are fair and right in fighting anti-Semitism and in trying to help save a man who stood up to Hitler and the Gestapo and helped us win the second World War," Perrault said.

Perrault, and one of Trepper's sons,

ALVIN H. BISHOP, JR. HAS BEEN APPOINTED 1973 CAMPAIGN CHAIRMAN FOR CLARK COUNTY CHAPTER OF AMERICAN HEART ASSO. IT WAS ANNOUNCED BY CHAPTER PRES. DR. JOHN BOWERS.

Michael, stated that the "flare-up" of Polish anti-Semitism was not due to the Six-Day War as Polish officials have said but had been "carefully prepared and planned by the Polish government" for about one year before June 1967.

The Poles did not want Trepper out of Poland because he could confirm this, they said.
