

ENTERTAINMENT TRIP AROUND THE WORLD

DICK MCINNES

It's nice to be back after spending a glorious three weeks with my family for Christmas in Tarentum, Pennsylvania. It was a "Sentimental Trip", and I loved it. But back to business. "Presenting ALFRED HITCHCOCK" is happening at the Los Angeles County Art Museum and was kicked off by an invitational screening of "Rear Window", starring JAMES STEWART and GRACE KELLY. The great Hitchcock was there and he remarked that "the trouble with silent films was that the actors opened their mouths and nothing came out. The trouble with films today is that the actors open their mouths and too much comes out." So much for today's vulgar films. After the screening we were treated to a typically English snack (trifle, crackers, strawberries and wine) in the lovely Atrium of the Museum. Familiar faces enjoying were ZINA BETHUNE, GEORGE CUKOR, ROBERT WISE, GEORGE STEVENS, JR., CHRIS and LYNDA DAY GEORGE and the British Consul, ANDREW FRANKLIN. The next four weeks will show such Hitchcock classics as "Rebecca", "Notorious", "Psycho", "Rope", "Strangers on a Train", "North by Northwest", and a group of silent films the master made.

ELLIOT GOULD and JENNIFER BOGART are receiving congratulations and condemnations on the birth of their second child, Sam, 8 lbs. 8 oz. He was delivered by the natural childbirth method in the couple's home with a doctor present. A few days later, KPOL, a local radio station, made their own delivery. It delivered a scathing editorial on the morals of Mr. Gould and Miss Bogart. Gosh, that hasn't happened since the early days of INGRID BERGMAN's fall from grace.

ANDY WILLIAMS and CLAUDINE LONGET along with their kids and her sister, were together again at the Super Bowl game. Claudine was wearing a navy and white football jersey with her name on it. If all football players looked like that, I just might learn to play. Also spotted in the crowd of 90,182 were PETER FALK and PAUL LYNDE (Paul Lynde?????)

TRIPPING AROUND . . . RAYMOND BURR is set to host "Keep U. S. Beautiful", a comedy variety special with an ecological theme on NBC, March 27. His guests will be RUTH BUZZI (wasn't she great in her dramatic debut on Medical Center?), TIM CONWAY, SANDY DUNCAN, LENA HORNE, DON KNOTTS and THE MUPPETS. . . BETTE MIDLER, whose Atlantic Records album, "The Devine Miss M" is climbing the charts will make her first Los Angeles concert appearance at none other than the Dorothy Chandler Pavilion on March 17. Her Troubadour stand was so sold out that no one could get in. Get in line early folks. . .

NEVADA SUPREME COURT JUSTICE JOHN MOWBRAY OFFICIATED AS FOUR MEMBERS OF THE CLARK COUNTY BOARD OF SCHOOL TRUSTEES WERE SWORN IN. FROM LEFT, EARL EVANS OF NORTH LAS VEGAS, GLEN C. TAYLOR OF HENDERSON, AND MRS. HELEN CANNON AND MRS. BERNICE MOTEN OF LAS VEGAS.

London reports that two of our blonde beauties are making big hits. LANA TURNER, who is now doing "I Hate You Cat" at Pinewood, will stay in London for three months and do another film called "Shocking". KIM NOVAK picked up \$100,000 for eight days' work when she replaced RITA HAYWORTH in "Tales That Witness Madness." Strange that RICHARD QUINE, who was to direct Kim's ABC TV bow here, has dropped out for "reasons of his own." You do remember when they were a super big item on the romance wagon? . . . PAUL WILLIAMS proudly says that his "We've Only Just Begun" has been recorded by more than 100 different artists and that the total record sale is between 20-25 million. Did you know that the tune was originally a bank commercial on TV? Of course, you did.

Save your throat, don't yell at anyone, and have a good week.

ISRAEL'S RECORD 1973-74 BUDGET

JERUSALEM (WNS) -- A record of 19.8 billion pound 1973-74 national budget emphasizing social services and economic development, and reflecting the increased immigration rate, the growing costs of absorbing the newcomers and mounting needs in health, education, and social welfare, has been submitted to the Knesset.

The budget's military portion continued to decline in relation to the total budget, representing a 6.2 per cent decrease over 1970-71.

A NATURAL THOUGHT

A beautiful bouquet of real dried everlasting flowers, grown in California. A lovely combination of cascading baby's breath, statice, strawflowers, Queen Anne's lace, yarrow and sage. This charming bouquet will

fastfully accent your favorite container in any room in your home.

(First Time Offered!)

Please specify choice of color: A) Earthy gold, lemons, oranges; or B) Delicate pinks, whites, lavender. A unique gift idea (24" high) just \$4.95 ppd. Extraordinary 12" hand-woven imported Far Eastern wicker basket (not pictured), also \$4.95. Both for \$8.50 ppd.

ALICE'S GARDEN

P.O. Box 2216, Dept. 44, Canoga Park, CA 91306. Quantity discounts invited.

how to SAVE MONEY on your heating costs

The Nevada Power Company brings you all the electric power you need, still at one of the lowest residential rates in the nation . . . but that's no reason to waste it. These simple tips will help you save money on heating costs and, at the same time, help conserve our vital resources, which are not unlimited.

- Make sure you have the right size unit. If it is too small, it will run almost constantly and still not do a complete job. If it is too large, money is invested needlessly and the unit will not do a good job of controlling humidity.
- Set thermostat at best level for comfort and economy. During heating season, for every degree the thermostat is set below 72 degrees, the heating bill should be reduced about 5 per cent.
- Avoid changing the thermostat from one setting to another. The system will automatically maintain the desired comfort level.
- Change filters at least once a month, preferably every two weeks.
- Encourage children to close doors when they enter or leave the house.
- If you have large expanses of glass, like picture windows or sliding glass doors, close drapes

or curtains over them in the evening to prevent heat loss.

- Use the unit's fan continuously by setting the control switch to the "ON" position. By letting the fan run constantly, air in your home will be circulated and will eliminate hot or cold pockets. It will also provide more air filtration.
- When cooking, turn on kitchen ventilation fan.
- When using the tub or shower, keep bathroom doors closed and ventilator on. If there is no vent fan, open the window a crack. This helps exhaust excess humidity to the outside.
- Try to achieve good insulation. A full insulated home will normally require from 20 to 40 per cent less energy than a home that is insulated to minimum standards.
- Above all, consult the manufacturer's manual for the proper use and maintenance of your air conditioning unit.
