U.S. AGENCY AIDS ANTI-SEMITISM
 WASHINGTON (WNS) -- The text of a broadcast by the notorious anti-Semite and racist Gerald L. K. Smith in

which he alleged the "controlling powers" were besmirching Christian Holy places in Israel has been trans-

mitted by the Defense Department's information agency to its network of 492 radio and television stations serving American armed forces all over the world.

Hoyt Wertz, chief of the broadcast service of the Armed Forces Radio and Television Services (AFRTS), said the 25-minute broadcast was obtained from the Mutual Broadcasting System which produced it in cooperation with the radio and television department of the New Jersey Council of Churches.

The broadcast was apparently in promotion of Smith's shrine at Eureka Springs, Ark., a tiny Ozark Mountain town, which Smith touted as a new Christian sanctuary that would replace the holy places allegedly besmirched in Israel.

Wertz said all programs are taken from the three major national networks -- CBS, NBC, and ABC -- and from Mutua' and that AFRTS relies on the judgment of the networks' usefulness. He said Jewish programs are not broadcast because they did not "fit in" the AFRTS programming.

SPIES JAILED UNTIL TRIAL

TEL AVIV (WNS) -- A Haifa district court judge, after formal charges were filed against six suspected members of a Syrian-directed Arab-Jewish spy ring arrested in early December, ordered them retained in custody until their trial opens. No trial date has been announced.

Five of the suspects

were charged with maintaining direct contact with enemy agents. One was charged only with membership in a hostile organization. The two Israel-born Jewish members, Ehud Adiv and Dan Vered, were charged specifically with passing information of a military nature to Syrian agents.
