

**LIBYA GAVE \$5,000,000 FOR MUNICH MASSACRE**

BONN (WNS) -- In a German television interview, a former Arab member of El Fatah's financial section revealed El Fatah gets \$85 million a year from Arab states, primarily Libya, Saudi Arabia and the Persian Gulf states. He said Libya's President Muammar el-Qaddafi, gave a \$5 million reward to Fatah leader Yassir Arafat for the Munich Massacre, in addition to the annual payments.

The informant, who refused to disclose his identity, said that El Fatah and Black September are the same organization. His story has been corroborated by German and Mideast security services.

**HUSSEIN NIXON TALK ASSESSED**  
JERUSALEM (WNS) -- Ambassador Yitzhak Rabin returned to Washington last weekend following a brief leave in Israel during which he is said to have told Premier Golda Meir that President Nixon does not expect any new proposals from her when they meet in Washington March 1 and does not expect any major

changes in Israel's position. He maintained, contrary to the belief expressed in some quarters, that since his re-election Nixon has not changed his approach to the Mideast problem -- that there can be no Israeli withdrawal from the administered territories prior to a peace settlement.

Rabin said that Jordan's Hussein, scheduled to meet Nixon in Washington Tuesday, may secure more U. S. military and economic assistance for his country, but little else. He said the Jordanian ruler had decided to rejoin the Eastern Front against Israel to appear in Washington as a spokesman for all the Arab states.

**TOP PRIORITY FOR ISRAEL**

PITTSBURGH (WNS) -- Sen. Henry M. Jackson, (D. Wash.) has called on the Nixon administration to give top priority to resolving the Mideast conflict now that Vietnam has been settled. He called for direct negotiations between Egypt and Israel, and said the matter was critical because the "Persian Gulf represents 80 per cent of the known oil reserves in the world and the stakes are enormous."

At a press conference before addressing the annual Jewish National Fund dinner here, Jackson released a statement on his amendment to the East-West Trade Bill that would deny most favored nation status to the Soviet Union until they agree to place no impediments on emigration.
