

LETTERS

Dear Mr. Tell:

I wish to take this opportunity to express my sincere thanks for your making available to me your weekly printing. It is indeed informative, and will be read by numerous fellows of Jewish origin, that I pass it along to.

I am grateful for your publishing my letter, in reference to corresponding with anyone interested in writing to me. Which, incidentally drew a blank. Nevertheless, my prayers are for many blessings to you and your family for your kind and generous efforts.

I am soon to enter the Industry (work assignment) here which will enable me to earn a few dollars per month. (I am a registered Medical-Technologist -- employed several years in our hospital). I anticipate release in October, 1975. The monies earned in Industry will definitely help when my present sentence is completed. In a few months maybe I can send along a renewal subscription to the ISRAELITE.

I lived in Las Vegas for about 5 years. In fact I was sentenced in Judge Roger Foley's Court in 1965 for Interstate Transportation of Securities.

Med. Tech. plus, I'm a professional musician - bass. I am tentatively making plans to return to Vegas after a short visit to Florida -- when I'm released.

Again, Mr. Tell, thank you for the ISRAELITE, and many best wishes to you and your

family.

Sincerely,
Eugene Cooper, Jr.

(ED. NOTE: Nothing makes us happier than to be told our ISRAELITE is being appreciated, especially by anyone less fortunate than we, keep up your hopes and we are certain you will make us real proud in the future. J.T.)

Dear Mr. Tell:

We thank you very much for your interest in our endeavors to found a Jewish day school in Las Vegas. As you see from this press release, the founders of the school represent all areas of the Jewish community here, and we have found a sizeable number of parents who are interested in sending their children to such a school. We will greatly appreciate all the publicity you can give us on our meetings, plans, etc., for we cannot have too much help from the Jewish community.

Sincerely yours,
DIANA G. PLOTKIN

(ED. NOTE: We pledge full support, J.T.)

Dear Sir:

Since there has been a relaxation on the writing privileges here at the London Correctional Institution, we are now permitted to correspond with anyone.

Lonely, despaired inmates would like to hear

from any and all people who are concerned about the man behind prison walls.

I am very sincere in my wish for correspondence and will answer all letters and questions you may ask to the best of my ability.

Thank you very much for any consideration

Dear Sir:

I was reading your little newspaper and had the thought, why not write and see if the information I and so many of our friends are greatly concerned about -- Why doesn't someone open up a Jewish restaurant or Deli here in Reno? It would be a blessing. There are a million places to rent or buy -- there is a vacancy right across the street on "B" Street in Sparks -- where "Traders Dick" used to be -- amongst others.

Please see if the right party or firm gets the idea I'm sharing with you. It would make money for the owners and make thousands of people happy.

Thank you.

Sincerely,
Mrs. Florence Wade
Reno, Nevada

(ED. NOTE: We hope your appeal bears fruit, if not strictly Kosher, at least Kosher-style, like Foxies in Las Vegas. While we are at it, let us hope for a Kosher butcher in Vegas. It would get 100% of our support. J.T.)

you may give this re-

quet.
Sincerely,
