

ENTERTAINMENT TRIP AROUND THE WORLD

DICK MCINNES

"I Do! I Do!", starring CAROL BURNETT and ROCK HUDSON, has moved into the Huntington Hartford for a four-week honeymoon, and "It's Good! It's Good!". Rock offers the surprise of the evening by singing and dancing his way through the two - character musical. Even if you didn't like him, you sure would have to admire him. Fortunately, every bit of his on-screen charm comes across the footlights too. He's a delight. As for Carol Burnett, what more can be said about her? Her singing is great, her clowning is as always topdrawer, and in her touching moments, she is superb. In other words, she is CAROL BURNETT, and in those two words, you define a great performer and a lovely lady. GOWER CHAMPION, who directed the original with MARY MARTIN and ROBERT PRESTON, repeats his sensational staging and makes it all work. The show itself is not that great, but in the hands of Burnett, Hudson and Champion, it is a winner! Carol's hubby, JOE HAMILTON, was in the audience with their daughter, Carrie. It was her first opening night and she loved it. Gower's ex-wife, or about to be "ex", MARGE, was there, too, but Rock's ex, Phyllis Gates, was nowhere in sight. ZSA ZSA arrived looking gorgeous, but left during ty second act, saying she wasn't feeling well, darling. ANNE JEFFREYS is in love with the show, and would like to do it in stock with hubby, ROBERT STERLING, but he won't budge

DILLON CROSS, LANDMARK HOTEL CREDIT MANAGER, DISPLAYS THE PLAQUE HE RECEIVED FROM THE AMERICAN BUSINESS WOMEN'S ASSOCIATION OF LAS VEGAS FOR BEING SELECTED THE BOSS OF THE YEAR. out of retirement. JOHN SPRINGER told me that he will bring his "Legendary Ladies" to Los Angeles as soon as he locates a good theatre. "Ladies", in case you don't know, is a series of tributes to the likes of BETTE DAVIS, JOAN CRAWFORD, SYLVIA SIDNEY, and MYRNA LOY, which John has put together, consisting of film clips and then an audience participation chat with the star herself. He is now working on BARBARA STANWYCK and ROSALIND RUSSELL, and has already interested JEAN ARTHUR. I can't wait.

Universal's SIDNEY SHEINBERG announced that ERNEST K. GANN's best-selling book,

"The Antagonists" will start filming in srael early next year. "The Antagonists" relates the seige of a band of Jewish zealots atop the hill of Masada in AD73 by the Roman 10th Legion. The antagonists are ELEAZAR BEN YAIR, leader of 900 Jews resisting the power of Imperial Rome by stubbornly clinging to freedom and the besieger, Roman General Flavious Silva, Commander of the 10th Legion and Procurator of Judea. No casting plans at this moment. However, if you have any suggestions, send them along. We will pass them on to Universal. Have a universal Fourth week-end.

USE YOUR ELECTRIC CLOTHES DRYER WISELY...AND SAVE

Follow these hints when you use your electric clothes dryer, and you'll save on clothing bills... electric bills, too.

- DRY SIMILAR ITEMS** together, heavier items at one time and lighter fabrics in another load. This prevents underdrying or overdrying.
- AVOID OVERDRYING.** Excessive drying may cause shrinkage and wrinkling, and needlessly consume electricity... it will wear out your clothes more quickly, too.
- FLAT ITEMS, SUCH AS SHEETS,** can be "pressed" by folding them smoothly and placing them on the warm top of the dryer.
- DON'T OVERLOAD THE DRYER.** This can cause clothing to wrinkle. Damp-dry items to be pressed. This saves time and money.
- CLEAN THE LINT FILTER AFTER EACH DRYING OPERATION.** Your dryer will operate more efficiently... reducing costs.
