

"J.C. SUPERSTAR" FILM ANTI-SEMITIC

WASHINGTON (WNS) -- Prior to its opening in first run theatres across the nation, the film version of "Jesus Christ Superstar" has been denounced for reviving "religious sources of anti-semitism" by the National Jewish Community Relations Advisory Council. The NJCRAC, in a statement adopted at its plenary session, said the film was worse than the stage play in dramatizing "the old falsehood of the Jews' collective responsibility for the death of Jesus." The statement called the motion picture, which was filmed in Israel, a "singularly damaging setback" in Christian-Jewish relations since it revives the "pernicious idea" of Jewish guilt for the crucifixion even tho-

ugh the Second Vatican Council and Protestant agencies have rejected it.

The statement also said the role of Judas, portrayed by a Black actor, is "magnified far beyond historic evidence," representing him as a dupe of the Jewish priesthood in a way that "could easily exacerbate present day Black - Jewish relations."

GOLDA TO SERVE FULL TERM

JERUSALEM (WNS) -- Speaking to a student audience at the Negev University, Prime Minister Golda Meir said that if she is re-elected in October she will serve her full 4-year term if her health permits and if the Labor Party wishes her to

stay in office.

She denied newspaper reports that she plans to serve only a year and then step down in favor of someone else.

Mrs. Meir also told the students she favored resumption of diplomatic relations with the Soviet Union, but not at the expense of Jewish emigration.

MORE ARABS IN NORTH ISRAEL

JERUSALEM (WNS) -- A report prepared for the Ministry of Interior by Eliezer Brutzkus, an architect, predicts that the Arab population will exceed the Jewish population in northern Israel within the next few years because of a steady Jewish exodus from the region and the relatively small number of immigrants settling there.

Brutzkus anticipates major growth for Jerusalem but a decline in population for Tel Aviv where the trend is to move to the suburbs.

LAS VEGAS ISRAELITE 1000 INCREASE IN RUSSIAN VISAS

LONDON (WNS) -- Reports reaching here say the Kiev High Court has rejected an appeal by Roiza Palatnik, the Odessa Jewish librarian, serving a two-year prison term for alleged anti-Soviet activities.

The Times of London reported there had been a 1,000 percent increase in the number of Georgian Jews permitted to emigrate to Israel.

Other reports from the USSR state that nine Jews from Sverdlovsk wrote the head of the Soviet Secret Police stating "we live in an atmosphere of fear, suspicion, ridicule and intimidation but you ought to know that they cannot break us. We join our brethren in Georgia, who proclaimed not long ago 'Israel or death.'"

It was also reported that 54 Riga Jews wrote to the central Committee of the Communist Party in Latvia, asking for an interview in connection with their application to emigrate to Israel.
