

DEBBIE REYNOLDS is getting financial support for her favorite cause, the Hollywood Motion Picture and Television Museum from hundreds of New York theatregoers who attend "Irene". Our smart girl has made a deal with the program sellers; she gets 30¢ on each program sold and approximately 250 programs are sold each night. All monies go directly into the museum fund. Always the appreciative one, Debbie goes out front and autographs the programs after most performances. Debbie Irene is still selling out and she plans to stay in the show until January when JANE POWELL is expected to replace her. After a brief rest, she goes to the Desert Inn in Vegas in April and May, then to Los Angeles and San Francisco where she will rejoin "Irene" as part of the Civic Light Opera season. Then she may take the show to London for a year. Have you ever heard of such energy in your born days? I get tired just thinking of that schedule.

TRIPPING AROUND...All you DAVID CASSIDY fans can relax now. Exec Producer BOB CLAVER of "The Partridge Family" reports that David will co-star in every episode of next season's shows. He still has one more year to

go on his Screen Gems contract. Now doesn't that take a load off your minds? .... Another David (this time for you older folks), DAVID NIVEN has been set to play Count Dracula in "Vampira" which will begin filming at EMI-Elstree Studios in London in two weeks. Now doesn't that put a load back on your minds? David Niven as Dracula?????

STRIP TRIPPING IN LAS VEGAS...."Bottoms Up" held open auditions at Circus Circus for a new company in Reno and it was a hoot. Singers, dancers, comedians and comedienne all paraded their wares for a chance to join the very successful show (15 years old). Lots of talented people but standouts were NANCY BOND as a slightly tipsy stewardess on the champagne flight and LENNY WOLEN as a rather effete (to say the least) football star. Caught the show that night and I must say it is just as fresh now as it was the first time I saw it and I have seen it 22 times. And that's the truth. First of all, a big critical hug and kiss to SUZANNE BUHRER who has at last returned to "Bottoms Up" after an absence of too long. Suzanne who also has written a lot of the material is superb in everything she does and particularly in "Sex Education". SHON VAUGHN is the brand new addition and she fits in very well. As for the regulars, you need only to say their names and visions of sugar plums, talent, laughter & beauty dance in your heads. A finer performing group you couldn't find. BRECHWALL, DAVID HARRIS, DEEDA HYMES, ROB BARRON, JAN SUTTON (now a married lady with a blinding set of rings to prove it. Don't sit too close), VIKKI ANTHONY (who has really come into her own and looks sensational) & ALICIA IRWIN (I can't forget the twin YUL BRYNNERS). That's entertainment (which isn't a bad title for a song)! The funniest bit in the new show is the takeoff on the Tonight Show. A real gem of comedy. Bravo, "Bottom Up" and may you have 15 more happy years!

and already planned a super party to christen his house. The "New House" party will honor LIZA MINELLI, JOAN RIVERS, CONNIE STEVENS, JAMES DARREN, JACKIE GAYLE AND SANDY PIERUCCI ROGERS. In case you are wondering who Sandy Rogers is, she's an old friend of Mark's who will be arriving in Las Vegas for the very first time. Now that's the only way to arrive in Vegas! I can't wait until August 10th. Don't wait for happiness, go out and get it!
