in religious, Civic and educational dedication to benefit all of us, his efforts should be noted.
Dr. Pearlman never asked for it, in fact, he is not aware that we have checked into his achievements, but the scope of his accomplishments make us proud to name him MAN OF THE YEAR.

Resnick appears in the newspapers supporting one good cause or another.
With her charm and beauty, half the goal is reached at the outset, for religious, charitable and civic organizational drives, whether it be for Judaism, the Catholic Church or to erase a dreaded disease. Her time and efforts are always available to make the world a better place for all of us.

TEL. AVIV (WNS) -- The Labor Party Secretariat has over-whelmingly approved proposals by Defense Minister Moshe Dayan that will open the way to private land purchases by Jews in the administered territories, increasing Jewish settlement in the territories and reduce the Arab labor force presently working in Israel.

Shortly after he arrived in Las Vegas, about four years ago, with his delightful wife, Mary, and their adorable teenage daughter Martie, the good doctor of ophthalmology plunged into community affairs. He is not one to just lend his name to a worthy organization. He is a working member of the cause.

As a director of Temple Beth Shalom, he is Chairman of Adult Education. He is a trustee of Las Vegas Lodge B'nai Brith.

In addition Dr. Pearlman is trustee of board of St. Jude's, a member of board of L.V. Symphony, on advisory board of L.V. Board of Health, and member of public relations Committee of Nevada Medical Society along with being secretary of L.V. Ophthalmological Society.

He also is a Mason in Scottish Rights and a Lion.

We are proud to have Dr. Pearlman in our community.

Happy New Year

Since 1957, with her husband Ash, and their two adorable daughters, Dana, 14, and Larai, 7, the Resnicks have been a credit to our community.

Marilyn served as Pres. of Ways and Means Committee of Hadassah, and is an active member of B'nai B'rith.

She is a member of the board of St. Jude's Auxiliary and Home of God Shepherd.

When the Kidney Foundation of Nevada was founded, Marilyn Resnick became Chairlady. She is very proud of her personal contribution to Helen Steward School for Mentally Retarded, her efforts in behalf of Judy Bailly Auxiliary for Cancer Research, and the Multiple Sclerosis Society of Nevada.

She is also an active member of our local chapter of N.A.A.C.P., according to former heavyweight champion Joe Louis, who glowed when he confided the information.

It is with a great deal of pride and satisfaction, we agreed with those who advised us of Marilyn Resnick's achievements and awarded her the distinction, **WOMAN OF THE YEAR.**
