

# ENTERTAINMENT TRIP AROUND THE WORLD

DICK MCINNES

QUESTIONS QUESTIONS... DEAN MARTIN & FRAN JEFFRIES have something in common these days. Seems they were both in the SAME hospital on the SAME day for the SAME operation. Is that common enough?....One of our daily trade papers reported last week that "Roll Out" was the new season's first cancellation. The next day the other trade paper announced that "Bob and Carol and Ted and Alice" had been axed, making it the first cancellation of the new season. The new game in town seems to be who gets to be the first cancellation. Who do you think should be the first cancellation of the new season? (Roll Out" and "Bob and Carol, etc" don't count)....ANDY & DAVID WILLIAMS are making their TV acting debut on "The Partridge Family" in a segment that is now filming. Could this possibly be a hopeful spin-off???

MOVIE TRIPPING...."Jonathan Livingston Seagull", in spite of all the controversy is bound to pick up several nominations when that time of year comes around. First of all, it will most certainly be Oscar-nominated for Best Photography & Best Motion Picture Score. Then it will no doubt pick up a Grammy nomination for Best Soundtrack and last but certainly not least a Patsy nomination is surely in order for its star. I enjoyed "Seagull" although it did seem a mite long (I understand cuts have been made since the preview). The photography is something else and the scenes with the birds are incredible. Congratulations to producer HALL BARTLETT for pulling it all together... "Westworld" just may pull MGM partly out of its doldrums. It is definitely one of the most original movies of the year and should be a

DEL GUY, RIGHT, NEW CHIEF DEPUTY OF THE DISTRICT ATTORNEY'S LIAISON SECTION, TALKS OVER IMMEDIATE CASES WITH DISTRICT ATTORNEY ROY WOOFER. GUY, FORMER DEPUTY DISTRICT ATTORNEY, WAS APPOINTED BY WOOFER TO THE POST OF CHIEF LIAISON OFFICER FOLLOWING THE RESIGNATION OF GEORGE FRAME TO RETURN TO PRIVATE LAW PRACTICE. GUY'S JURISDICTION COVERS THE DETERMINATION OF ALL FELONY AND MISDEMEANORS SUBMISSIONS TO THE DA'S OFFICE. EXTRADITIONS AND HOMICIDE INVESTIGATIONS.

box office smash. RICHARD BENJAMIN, JAMES BRÖLIN & YU' BRYNNER star in this flick about a resort where you can live out your fantasies ( for only \$1000 a day) in either a Western, Roman or Medieval setting. I think Brynner sets a new record for on-screen deaths in this one. MGM has a terrific ad Campaign going for "Westworld" which should whet your appetite so I won't tell you any more either. Just trip on out to "Westworld" and enjoy.

BOOK TRIP....Speaking of MGM, Arlington House has come out with a splendid new book, "The MGM Stock Company" by JAMES ROBERT PARISH & RONALD L. BOWERS (\$14.95). Featuring mini-bios and listings of the films of 150 stars who worked for Leo the Lion in that golden age of movies, this book is a must not only for film buffs but for anyone who loves the movies. From JUNE ALLYSON to ROBERT YOUNG, from FAY BANTER to DAME MAY WHITTY, from LIONEL BARRYMORE to LANA TURNER they are all there and I guarantee that you'll spend many happy hours pouring over the priceless stills from those MGM movies.

Have a good week, luvv!

## Lights On

by GREER FAY CASHMAN (Via Telephone)

JERUSALEM: The lights are on again in Israel.

Cancellation of the blackout which has tossed a blackness over the country for the past 18 nights was announced this evening, Oct. 24, a few minutes before 6 p.m.

Slowly but surely, lights came winking through the blackness as people removed the heavy curtains and other protective covering from the windows.

Although eyes become accustomed to the dark over a period of 18 nights, one does not get used to it. The cease-fire, violated by Egypt on Monday, was reinstated this morning at 7 a.m. Nonetheless, Egyptians continued the attack in the area in which the Third Army is situated.

It is understood that these attacks were made in an effort to extricate Egyptian Forces from the position in which they are encircled.

On the Syrian front, it was quiet along the entire line, much more so than along the South, despite the lateness of Syria's agreement to the cease-fire.

Israeli forces have been given strict instructions to enforce the cease-fire. "When we are attacked," an army spokesman stated, "we reply. But we do not initiate any action."

Israel's Foreign Minister Abba Eban this evening expressed the hope that in spite of the Egyptian violations, the cease-fire would be honored. He looked forward to an early beginning in cease-fire negotiations which will include an exchange of prisoners, determination of boundaries and a secure settlement. Terrorist action as well as the actions of armies are forbidden, Mr. Eban said.

There is relief in Israel, but no joy, as the country prepares to bury its dead with the full military honors they deserve.
