Myron Friedma, will be associated with the MGM group when the hotel opens. Myron was formerly with the Fremont Hotel in an Executive Capacity.

The Landmark Beauty Shop is now on the main floor. The shop is attractive, light and very pleasant, a good place to relax. There are enough operators so that waiting is at a minimum. The operators are: Jeanne, Gladys, Sam, Dorothy and from conversations that I hear, why wait for an operator? Give these gals a try and you may be pleasantly surprised, and no time will be wasted sitting around for your next!

The Sunday Fun Clubs for children Kindergarten through Sixth grade recently took a field trip to our future zoo at Tule Springs. Everybody enjoyed feeding the ducks, while the older children rode the horses.

If you have been at the Center within the last couple of weeks you may have noticed the major remodeling char-

acteristics going on. One is a full paint job inside and out. Another is the wood paneling on some of the walls.

If you haven't seen the new changes then drop by at 1700 E. Oakey which is right behind Temple Beth Shalom.
