

JEWISH NEWS BRIEFS

JERUSALEM (WNS) -- The Yom Kippur War has resulted in the "Zionization" of diaspora Jewry so that the State of Israel is now an integral and indivisible part of worldwide Jewry. Leon Dulzin, acting chairman of the World Zionist Executive, told a seminar on diaspora identity with Israel.

TEL AVIV (WNS) -- Since the opening of the Geneva Conference fighting along the Suez Canal has intensified although official communique here have played this down.

LONDON (WNS) -- The three-day working week introduced by the British Government to cope with the fuel shortage may hit Orthodox Jews harder than most other Jews. In some zones the working week will fall on Thursday, Friday and Saturday.

NEW YORK (WNS) -- Father Daniel Berrigan, accusing Catholic, Protestant and Jewish critics of his anti-Israeli views of representing "armies of orthodoxy" whose unquestionable support of Israel "is undoubtedly idolatrous," has refused the Gandhi Peace Prize from a Committee for Promoting Enduring Peace.

WASHINGTON (WNS) -- President Nixon has signed without comment the \$2.2 billion emergency aid-to-Israel bill which Congress had approved at his request.

PARIS (WNS) -- French police have broken up a Palestinian terrorist ring headquartered in Paris that was preparing a major operation in Europe.

UNITED NATIONS (WNS) -- About 1,000 demonstrators sponsored by American Zionist, braved pouring rain and gathered in Dag Hammarskjold Plaza to express solidarity with Israel.

JERUSALEM (WNS) -- The efforts of the wife of the President of Israel to send copies of Playboy to Israeli troops serving on the Golan and Sinai fronts has been blocked because of protests of religious groups.

WASHINGTON (WNS) -- Although he believes that there is a chance to obtain a Middle East settlement, Secretary of State Henry A. Kissinger warned that bringing Arabs, Israelis into agreement will be a "slow and agonizing effort."

ATLANTA (WNS) -- The FBI is investigating the possible theft of envelopes and labels from the Israel Government Tourist Office since there is a fear they could be used to send letter bombs to unsuspecting recipients.

TEL AVIV (WNS) -- At a special Chanukah celebration for war invalids, five candles were lighted one each by an invalid of each of Israel's five wars: The War of Independence, the Sinai Campaign, the Six-Day War, the War of attrition and the Yom Kippur War.

AMSTERDAM (WNS) -- In gratitude for the Netherlands friendly attitude to Israel the 10th World Jewish Congress from 64 nations will be held at the Hague April 23 to May 6.

ISRAELI ELECTION RESULTS DUE

JERUSALEM (WNS) As the Knesset elections moved into its final days two polls gave completely different predictions as to the likely result.

A poll by the Institute for Applied Social Research showed the governing Labor Alignment scoring an overwhelming victory with 50 per cent of the decided vote against 29 percent for the opposition Likud.

But this was followed by a poll by the news paper Haaretz which showed Likud winning 49 seats in the Knesset and Labor 48.

However, both polls list a large number of undecided voters and perhaps even more important, they do not include voters on active

military duty, who are expected to prove the decisive factor.

The Labor Alignment is presenting itself as the party of peace while standing firm on the need for defensible borders. And many in Labor feel that the hard line of Likud's leader Menachem Beigin will save them.

Meanwhile the election spotlight seemed to be on Defense Minister Moshe Dayan, who is believed to be fighting for his political life. Dayan is conducting an intensive campaign due to the fact that he is being blamed for Israel's unpreparedness in the attack by Egypt and Syria.
