moved here in January, 1972 from New York. He was a teacher and coach for 4 years in the N.Y. City school district. John has a stunning sports background including playing in the minor leagues, college basketball, and on a championship college soccer team. Some of his sports abilities can be attributed to his father, who was a player on the Notre Dame football squad. John hopes to complete his Masters program at U.N.L.V. next fall. He has been on the Center staff since January 1972.
