

DEBBIE REYNOLDS BACK AT DESERT INN WHERE SHE BELONGS

DEBBIE REYNOLDS
... DI Presentation ...

Debbie Reynolds returns to the Desert Inn's Crystal Room stage for her final Las Vegas engagement of the year. This engagement is close on the heels of her smash return to the D.I. on April 9th after a 14 month absence. During her four week stance in the Crystal Room Debbie broke every show room record for attendance including her own

which was at the top of the list. Long known as America's Sweetheart and more recently dubbed the Desert Inn's "Million Dollar Baby," Debbie brings back her extravaganza extrodinaire to the D.I. stage for four weeks before taking it to the London Palladium at the end of July. Debbie Reynolds' success in the Broad-

way musical "Irene", established her as important a star on the New York stage as she is and has been in motion pictures, on television and in personal appearances. For 14 months Miss Reynolds entertained audiences & won critics as the star of "Irene" to establish a record box-office take of \$7,848,009.94.

An indefatigable worker with an inexhaustible amount of energy, Miss Reynolds came to Broadway following try-outs in Toronto, Philadelphia, & Washington, D.C., where "Irene", proved as popular with out-of-town audiences as it was to be with sophisticated New Yorkers. Following her 14-month run at Broadway's Minskoff Theater, Miss Reynolds' schedule includes heading the Desert Inn in Las Vegas with her nightclub act, which she will subsequently take to various cities throughout the U. S. before returning to California to open "Irene" at Los Angeles' Shubert Theatre. This marks the first time she will have appeared on a Los Angeles stage.

Versatility is reflected in Miss Reynolds' private life. Mother of two children, she also finds time for work with the Girl Scouts and The Thelians, a charitable organization, which works with emotionally disturbed children.

Recently she began a new project close to her heart, the preservation of Hollywood's first half-century of filmmaking, putting more than a half million dollars of her own money into it. Her aim is to gather costumes, props and personal momentos of Hollywood's greatest stars into a Hollywood Motion Picture and Television Museum.

Among Debbie's special memories are the Gold Records she won ofr "Aba Daba Honey-moon" and "Tammy," signifying that each recording sold more than a million copies. Trini Lopez and Lola Falana open on June 25th.
