

John L. Goldwater, chairman of the League's national fact-finding committee which conducted the survey, cited "This Is Liberty Lobby" broadcasts during and immediately following the Arab's October aggression against Israel as "typical" of the program's point of view. He noted "daily attacks" on Israel and American Jews during that period, including descriptions of Israel by the program's commentator, Bob Bartell, as "a bastard state," charges that American Jews are subversive and disloyal, and use of terminology "scraped from the garbage cans of professional hatemongers." In one program, Mr. Goldwater declared, "writings of the notorious anti-Semite, Robert H. Williams," were used to "prove" libelous statements against the Anti-Defamation League itself. He identified Bartell, the commentator, as also being president of Tax Action, another of Carto's outfits.

Pointing out that " 'America First,' a blantly anti-Semitic Liberty Lobby pamphlet," is offered at the conclusion of each "This is Liberty Lobby" broadcast, Mr. Goldwater questioned whether the managements and licensees of the program's radio outlets are ignorant of its contents or "uncaring about their role in helping to peddle bigotry."

In the Las Vegas area the program is heard over radio station KELK (Elko.)

Mr. Goldwater said Carto founded Liberty Lobby as a money-raiser and front for his "seamier operations," including Liberty and Property, a clearinghouse for keeping informed on anti-Semitic activities; "Western Destiny," a magazine with racist, Nazi-type articles, and Noontide Press, publisher of anti-Semitic, racist and pro-Nazi books, including "Imperium," by the late Nazi apologist Francis P. Yockey. The Yockey book contains a dedication to Adolph Hitler and a laudatory 35-page introduction by Carto.

LONDON (WNS) -- Israeli Premier Yitzhak Rabin, here for a meeting of Socialist party leaders, told a group of British MPs that Israel would return territory for the sake of peace.

### FORMULA ON WHO IS A JEW QUESTION

TEL AVIV (WNS) -- The Labor Party which still hopes to convince the National Religious Party and its 10 Knesset votes to join Premier Yitzhak's Rabin's coalition has worked out a "temporary" formula on the Who is a Jew question which it hopes will convince the NRP.

The Labor Party has reportedly sent its own spiritual mentor, Rabbi Menachem Hachohen to the United States to seek an agreement on the formula from Ashkenazic Chief Rabbi Shlomo Goren who is now visiting the U.S.

The formula, worked out in secret talks between Justice Minister Haim Zadok and NRP chiefs Dr. Joseph Burg and Yitzhak Rafael, would state that a person is a Jew who has been converted in accordance with practices of Judaism accepted in Israel over the generations. This skirts the Orthodox demand that the Law of Return be amended to specify conversions by halacha, which in the Orthodox view votes out conversions by non-Orthodox rabbis.

### ISRAEL AIRFORCE MEASURED BY ARABS

TEL AVIV (WNS) -- Israel is trying to decide which of two United States advanced combat aircraft to buy as a part of a program to modernize and strengthen its airpower, according to Gen. Benjamin Peled, commander of the air force.

Peled noted that the Soviet Union has supplied Syria with the MIG-23, reputedly the world's fastest and highest flying combat plane.

Israel is interested in buying the American answer to the MIG-23 which is the F-14 and F-15.

# STOP THE GREAT ESCAPE!

**Your money may be going through the roof!**

Without good insulation, your ceiling in summer becomes a radiant panel that bakes everything inside. In winter, it is a virtual sieve through which heat pours out. You're losing money every day your air conditioning or heating equipment is working.

But, there's one sure way to block the great escape and keep your money from sneaking out the door, flying out the window or going through the roof:

### Insulate thoroughly

That means insulation in the ceiling, the walls, and perhaps under the floors. You should have insulated doors and windows, and weather stripping, too.

Keep this in mind: insulation is the only property improvement you can make which will conserve energy, make everyone more comfortable, increase property value, need no maintenance and pay for itself in a very few years through savings in air conditioning and heating costs.

Get the entire story from your insulation or building contractor.
