YOU HAVE ONLY 3 CHOICES
 A good mechanic
 A bad mechanic
 Or no mechanic at all

And with watches, it's no different than with cars.

Our WYLER watches come from Switzerland where they believe in built-in quality. Not flash, not gimmicks. Just constant quality performance.

But if your WYLER ever needs servicing, you've got the best mechanic in town. We are recognized watch professionals—and all the genuine WYLER parts are right here.

So don't get taken. Like a fine car, a fine watch must come from a reliable dealer, who will give you honest value. Like cars, WYLERS come in a choice of models starting at only 39.95. All with written guarantees—the factory's and our own. As a matter of fact, we wear WYLER watches ourselves.
