

LARRY LUNA FOR BD. OF REGENTS

Larry Luna, a candidate for University of Nevada Regent in District E, received endorsement from State of Nevada Employee's Association.

The letter of endorsement stated:

"As a result of the

personal interviews and or knowledge of your past demonstration of interest in and support of state employees and our needs, I am happy to inform you that SNEA will recommend to its members and all other state employees that they give you their

support for the primary election."

"I decided to seek election," Luna stated, "to work for a closer communication between the regents, students and faculty, and the community and also to support the community college system as a proven vehicle for statewide education opportunities for those who would otherwise never be able to realize their full potential."

POLITICAL HOPEFULS

LARRY

If elected he pledged to place "a special emphasis in the areas of curriculum, teaching staff and administrative positions."

Luna said the regents should definitely gear themselves toward the establishment of a law school because it would be a great benefit to the citizens of the state to have a law school in Las Vegas.

A Las Vegas resident since 1969, he is completing work at the University of Nevada, Las Vegas for a specialist degree in education. He majored in pre-law at the University of San Francisco and has a masters degree in administration from there.

The candidate is the executive director of SerJobs for Progress Inc. His program is aimed at assisting economically disadvantaged persons in Clark County. He is former supervisor of the Teacher Corps program at UNLV.

Luna is on leave of absence from the Clark County School District. In the past he was a

foreign language instructor in the Beverly Hills School District.

He was recently appointed by Gov. Mike O'Callaghan to the Nevada Crime Commission and the Nevada State Manpower Services Council. He is a member of Phi Delta Kappa fraternity.
