A full color almanac-calendar, which lists all holidays and significant dates of the Jewish year, will again be distributed free by the Jewish National Fund, according to Fred Kahan, Western Executive Vice President of the Jewish National Fund of America.

The thirty two page document begins with September 1974, coinciding with the Jewish New Year Rosh Hashana, (which begins September 17) and includes September 1975.

Included in the calendar are statements from President Gerald Ford, former Israeli Prime Minister Golda Meir, and leaders of the JNF and of Israel from all over the world. Included also are color illustrations of the land reclamation and afforestation work in which the Jewish National Fund has been participating for 74 years.
