

**PUBLIC SUGGESTIONS ON NEW PLAN**

As a result of the decision taken by the Ministerial Committee on Jerusalem to invite public comment on architect Moshe Safdie's elaborate new plan for the Western Wall area, The Israel International Information Council has been asked to conduct a questionnaire-poll of interested United States citizens concerning the project. In undertaking this survey, Rabbi Rubin R. Dobin, of Lawrence, New York, Council

Chairman, explained that the Western Wall area adjacent to the Temple Mount in Jerusalem has a special affection in the hearts of millions of Americans of every faith, and that their opinions are being sought by the Israeli authorities responsible for the new plan. Rabbi Dobin urges all those interested to participate in this opinion-poll to send him a stamped, self-addressed envelope so that all the facts of the

new Western Wall plan can be sent to them. They will also receive a questionnaire to fill out. The completed questionnaires will be forwarded to the Ministerial Committee in Jerusalem to help them in their deliberations. The requests should be addressed to Rabbi Dobin at the Israel International Information Council, POB 11, Lawrence, New York, 11559. The new plan calls for a series of terraces rising from the Wall to the Jewish Quarter and for the lowering of the present prayer area by 30 feet. Buildings

on the upper terraces in the proposed plan will include institutions such as religious courts. Proponents of the plan say that the new design will provide intimacy to those in the prayer area while at the same time offering space for large public gatherings. Opponents say that the treasures of ancient Jerusalem must be preserved and object to the artificial break-up of Old Jerusalem that the new plan would require.

**YOU HAVE ONLY 3 CHOICES**

A good mechanic  
A bad mechanic  
Or no mechanic at all

And with watches, it's no different than with cars.

Our WYLER watches come from Switzerland where they believe in built-in quality. Not flash, not gimmicks. Just constant quality performance.

But if your WYLER ever needs servicing, you've got the best mechanic in town. We are recognized watch professionals—and all the genuine WYLER parts are right here.

So don't get taken. Like a fine car, a fine watch must come from a reliable dealer, who will give you honest value. Like cars, WYLERs come in a choice of models starting at only 39.95. All with written guarantees—the factory's and our own. As a matter of fact, we wear WYLER watches ourselves.
