Now in Las Vegas, for the first time, we have available a new company offering Solar Hot Water Heaters with an amazing saving of money by letting the sun, for free, heat water for your home, office, factory or pool. The installation is the first and only cost. Dr. Alex Tarsey is president of American Solar Energy Corp. Dr. Tarsey is an old time Las Vegas, recently returned from Israel with some solar heaters, which are performing in 80 percent of the structures there. For information call him at 735-7229.
