

"WEIZMANN YEAR" LAUNCHED IN U.S.

NEW YORK (WNS) -- The American Section of the World Zionist Executive launched the "Weizman Year" with a celebration at the Hilton Hotel attended by some 500 persons.

Dr. Nahum Goldmann, president of the World Jewish Congress and former president of the World Zionist Organization, told the gathering that unless Israel adopted Chaim Weizmann's "formulation" that the Arab-Israel conflict is one between "two rights" there will be no solution to the Mideast problem. Calling Weizmann, Israel's first President, "the first Jewish statesman in our history," Goldmann said Weizmann

had been correct when he said that without the acceptance of the Jewish state by the Arab world and cooperation between Israelis and Arabs "there can be no future for a Jewish state" surrounded by 100 million Arabs. Goldmann declared that while Weizmann had understood the conflict was one of "two rights" he maintained the Jewish right is superior "because for us the existence of a Jewish homeland is the very basis of our survival."

Goldmann said Weizmann wanted to create a New Jewish society "to make possible implementations of the basic ideas of Jewish history.. He combined

Herzl's political Zionism with Achad Ha'am's moral and social concept of a spiritual center for the Jewish people in Palestine."

Pinhas Sapir, chairman of the WZO and Jewish Agency Executives, said that Weizmann was "great as a scientist...superb as a statesman...a giant as a leader," but it was

his "sense of Jewishness and of Jewish history (which) was the cement that bound all three together." Sapir said that Weizmann must be a source of "strength and inspiration" to us today and "we must teach our children the wonderful story of Chaim Weizmann, the Jews from Motel, the first Presi-

dent of the State of Israel." Mrs. Charlotte Jacobson, chairman of the WZO - American Section, noted that Weizmann "led Israel for forty years through a wilderness of martyrdom and anguish, of

savage oppression and frustrated hope, across the sharpest agony which ever beset the life of any people."
