**UN SUPPRESS FAVORABLE INFO ON ISRAEL?**

WASHINGTON (WNS) -- Rep. Benjamin Gilman (R. NY) wants the House Foreign Affairs Committee and UNESCO to bring about a full disclosure of a report on Israel's excavations in Jerusalem made by Prof. Raymond Lemaire, a French archaeological expert.

Gilman wants the House committee to demand that UNESCO release the report. "It is shocking to think that the United Nations would deliberately suppress any information favorable to Israel in order to justify a vendetta against that State," Gilman said.

Gilman has written UNESCO's Director General Amadou Mathar M'Bow its former Director General, Rene Maheu, asking for disclosure of the report made by Lemaire for UNESCO last fall.

UNESCO made public selected portions of the report in depriving Israel's membership privileges, although

**UAHC PRES. WARNS OF BIAS TO JEWS IN ARAB CONTROLLED AMERICAN FIRMS**

NEW YORK (WNS) -- There is mounting evidence that when Arabs deal with American firms this results in the firing of Jewish employees, Rabbi Alexander M. Schindler, president of the Union of American Hebrew Congregations, told the UAHC's Executive Committee. He warned that "the weapons of boycott and blackmail" which Arab nations are using against Jewish banking houses in Europe "may also be operating to jeopardize the civil rights of Jewish individuals in the United States who are employed by firms doing business with Arab countries."

Rabbi Schindler called for the convening of a high level Jewish conference of experts in finance, industry and economics to privately explore the problems and develop action guidelines for the Jewish community. He asked the UAHC's 715 member congregation to serve as "listening posts" and provide such information. Meanwhile it was learned that a Kuwait investment firm withdrew from two international lending syndicates led by Merrill Lynch, Pierce, Fenner & Smith, Inc., of New York because one of the participants in the syndicate was the European investment banking firm of Lazard Freres & Co., which is on the Arab boycott list. The company was one of two in France and three in Britain who were blacklisted because they are either Jewish-owned or controlled.
